“ Bad Habit”

[Intro: Steve Lacy & Fousheé]

I wish I knew you wanted me

I wish I knew, I wish I knew you wanted me

I wish I knew, I wish I knew you wanted me

[Verse 1: Steve Lacy]

What you, ooh, uh, what you do?

Made a move, coulda made a move

If I knew I'd be with you

Is it too late to pursue?

[Chorus: Steve Lacy]

I bite my tongue, it's a bad habit

Kinda mad that I didn't take a stab at it

Thought you were too good for me, my dear

Never gave me time of day, my dear

It's okay, things happen for

Reasons that I think are sure, yeah

[Post-Chorus: Steve Lacy & Fousheé]

I wish I knew, I wish I knew you wanted me (I wish I knew)

I wish I knew (Oh), I wish I knew you wanted me

I wish I knew (Yeah), I wish I knew you wanted me (Oh)

I wish I knew, I wish I knew you wanted me

[Verse 2: Steve Lacy]

**Please say to me (Please, just say to me)
If you still wanna
I wish you wouldn't play with me
I wanna know (Oh, no)**

[Chorus: Steve Lacy]

Uh, can I bite your tongue like my bad habit?

Would you mind if I tried to make a pass at it?

No, you're not too good for me, my dear

Funny you come back to me, my dear

It's okay, things happen for

Reasons that I can't ignore, yeah

[Post-Chorus: Steve Lacy & Fousheé]

I wish I knew, I wish I knew you wanted me

I wish I knew (Wish I knew), I wish I knew you wanted me (Oh)

[Bridge: Steve Lacy]

You can't surprise a Gemini (I wish I knew)

I'm everywhere, I'm cross-eyed, and (I wish I knew you wanted me)

Now that you're back, I can't decide (I wish I knew)

If I decide if you're invited (I wish I knew you wanted me)

You always knew the way to wow me

Fuck around, get tongue-tied, and

I turn it on, I make it rowdy

Then carry on, but I'm not hidin'

You grabbin' me hard 'cause you know what you found

It's biscuits, it's gravy, babe

[Break: Steve Lacy]

Mm-mm-mm

Mm-mm-mm

Mm-mm-mm, mm-mm-mm-mm

Mm-mm-mm, mm-mm-mm-mm

Mm-mm-mm, mm-mm-mm-mm

Mm-mm-mm, mm-mm-mm-mm

Mm-mm-mm, mm-mm-mm-mm

Mm-mm-mm, mm-mm-mm-mm

[Outro: Steve Lacy & Fousheé]

You can't surprise a Gemini

But you know it's biscuits, it's gravy, babe

I knew you'd come back around

'Cause you know it's biscuits, it's gravy, babe

Let's fuck in the back of the mall, lose control

Go stupid, go crazy, babe

I know I'll be in your heart 'til the end

You'll miss me, don't beg me, babe
