**Please, motherfuckers ain't stop-, please, motherfuckers**  
**Please, mother-, please, mother-, please, motherfuckers**  
**Bitch, please, motherfuckers, please, mother-, please, mother-**  
**Please, motherfuckers, please, mother-, please, motherfu-**  
**Please, motherfuckers ain't stopping me**  
**Please, motherfuckers ain't stopping me**  
**Please, motherfuckers ain't stopping me**  
**Please, motherfuckers ain't stopping me**  
**I pull up in these clothes, look so good**  
**'Cause I'm in that, hoe**  
**You know all these songs sound good**  
**'Cause I'm on that, hoe**  
**Deadass, deadass, I'm deadass**  
**It's not the diamonds, it's not the pearls**  
**I'm that girl (I'm that girl), it's just that I'm that girl (I'm that girl)**  
**It's not my man (ooh), it's not my stance (ooh)**

**I'm that girl (I'm that girl), it's just that I'm that girl**

**From the top of the morning, I shine (ah-oooh)**

**Right through the blinds (ah-oooh)**

**Touching everything in my plain view**

**And everything next to me gets lit up, too (ugh)**

**You see it (ah-ah-ah-ah), yeah**

**You see it when you look to me**

**I didn't want this power (I ain't want it)**

**I didn't want this power (I ain't want it)**

**You know love is my weakness**

**Don't need drugs for some freak shit**

**I'm just high all the time, I'm out of my mind**

**I'm tweaked (tweaking, tweaking)**

**Freaking on the weekend, I'm indecent, let it begin (ooh-oooh-oooh)**

**I be pulling up in that '92 DeVille Cadillac with them vogues, losing  
my mind**

**Be-be-beasting, un-American, I don't need no friends**

**I been thugging for my un-American life lights in these deep flawless  
skies**

**Off the deep end (yuh), such a heathen**

**Why they let me outside? (Yeah), I pull relief in (yeah)**

**Bring that beat in, now I can breathe again**

**I be beating down the block knocking Basquiats off the wall**

**All, that's how I ball**

**Cleanse me of my sins, my un-American life**

**Please, motherfuckers ain't stop-, please, motherfuckers**

**Please, mother-, please, mother-, please, motherfuckers**

**Bitch, please, motherfuckers, please, mother-, please, mother-**

**Please, motherfuckers, please, mother-, please, motherfu-**

**Please, motherfuckers ain't stopping me**

**Please, motherfuckers ain't stopping me**

**Pleas**
