“ Surprise ”

[Chorus]

If you be good to me, then I'ma be great to you
If you stay down for me, then I'll stay awake for you
Surprise, slip my panties to the side
Give me your money, baby, I'll make it rain for you
Feel like you cheatin', the positions I play for you
Surprise (—prise), tonight, you get my freaky side (Side)

[Verse 1]

You like the way that I ride (Yeah)
Give you a piece of the pie
(Yeah)
You say that you could just stay up
And eat it all mornin' and into the night (Yeah, yeah)
You know I never get tired (Yeah, yeah)
Teasin' you just how I like (Yeah)
Yeah, we both winnin', I give you the business
But you're the one wearin' the tie (Ooh)

[Pre-Chorus]

Work that like how you should
Build me up, baby, give me that wood

Make it gangsta, 'cause I like it real hood

Knock it down low, this how it go, oh-oh

[Chorus]

If you be good to me, then I'ma be great to you

If you stay down for me, then I'll stay awake for you (Oh)

**Surprise (Surprise), slip my panties to the side (Side, side,
side)**

Give me your money, baby, I'll make it rain for you (Oh-oh)

Feel like you cheatin', the positions I play for you

Surprise (—prise), tonight, you get my freaky side (Side, yeah)

[Verse 2]

I get all dressed up for you

So you could take me down (Yeah)

My lipstick on your zipper

I like the way that sounds (Yeah)

You do it different with me (Yeah)

We got that kind of bounce

Turn it up, we get so loud

I'ma make my neighbors proud

[Pre-Chorus]

Work that like how you should (Should)

Build me up, baby, give me that wood

**Make it gangsta, 'cause I like it real hood (Hood)
Knock it down low (Oh-oh), this how it go, oh-oh**

[Chorus]

**If you be good to me, then I'ma be great to you (Oh-oh)
If you stay down for me, then I'll stay awake for you
Surprise (Surprise), slip my panties to the side (Side, side,
side)**

**Give me your money, baby, I'll make it rain for you
Feel like you cheatin', the positions I play for you (Oh)
Surprise (Surprise), tonight, you get my freaky (You get my
freaky) side (Freaky, freaky, freaky, freaky)**
