Catch me outside i'm so comfy
Still get gwop i get money
Your chopping chicks that gonna Love
I don't care who don't like me
They want touch the boy
They want knife me

I got tools

I'm so comfy

Still walk around on my lonlies

Most of the time

It's probably on me

That chick bends over

Thinks I'm honry

She'll be rubbbing nd grinding

Against my pokey

Kemzy kemz

I'm so clumsy

If i bring that back

I might break that

Nough man don't like

Me these are known facts

Still got beef with opps

From way back

Stilll made Gwop on blocks

My opps lived at

**Many men
Try touch touched Me
And couldn't do that**

**I'm the son of a gun
I give kick back
I dropped opps
On blocks
I made them bleed akh**

**Helped him find his father
Like a last name
Wen he gives his sermon
He calls my name**

**Kemzy kemzy
I'm a demond
Found repentence
Yes the Lord freed him
Now I'm back again
Getting pz in**

**Comfy Comfy
Catch me outside i'm so comfy
Still get gwop i get money
Your chopping chicks that gonna Love**

**Comfy Comfy
Catch me outside i'm so comfy
Still get gwop i get money
Your chopping chicks that gonna Love**
