## “Follow Me”

[Verse 1: Pabllo Vittar]

Have you ever felt like, like you're not enough?  
Have you ever broken down? Couldn't get up?  
Me, I got bad days, gets a little tough  
But I got a secret, babe, I dance it off

[Refrain: Pabllo Vittar & *Rina Sawayama*]

(*Ah-ah-ah*)

He asked me how I move like this

(*Ah-ah-ah*)

"Where'd you get confidence like this?"

(*Ah-ah-ah*)

I said, "Wouldn't you like to know?"

(*Ah-ah-ah*)

"Follow me and I'll show you how I do"

[Pre-Chorus: Pabllo Vittar]

If you wanna know what it takes  
To throw all your troubles away  
If you wanna set yourself free

[Chorus: Pabllo Vittar]

Follow, follow (Follow me), me  
Back off the wall, work all your angles  
Walk 'cross the floor, Naomi Campbell

You serving face like supermodel

**Dance with me, sway, follow me, let's go**

[Post-Chorus: Pablo Vittar]

**Follow me**
