“Hold Me Closer”

[Intro: Elton John]
(Hold me closer)
(Hold me closer)
(Hold me closer)
(Hold me closer)

[Verse 1: Elton John & Britney Spears, *Elton John*]
I saw you dancin' out the ocean
Runnin' fast along the sand
A spirit born of earth and water
Fire flyin' from your hands (*Oh*)

[Chorus: Elton John & Britney Spears, *Britney Spears*]
Hold me closer, tiny dancer
Count the headlights on the highway
Lay me down in sheets of linen
You had a busy day today, *oh*

[Post-Chorus: Elton John & *Britney Spears*]
Hold me closer, hold me closer (*Hold me closer*)
Hold me closer, hold me closer

[Verse 2: Elton John, *Britney Spears* & Both]
There are caravans we follow

Drunken nights in dark hotels, *baby (Yeah)*
When chances breathe between the silence
Where sex and love no longer gel, *oh*

[Chorus: Elton John & Britney Spears, *Britney Spears*]

Hold me closer, tiny dancer
Count the headlights on the highway (*Yeah*)
Lay me down in sheets of linen
You had a busy day today

[Post-Chorus: Elton John & *Britney Spears*]

Hold me closer, hold me closer (*Baby, baby*)
Hold me closer, hold me closer (*Oh, yeah*)

[Outro: Elton John & *Britney Spears*]

(Hold me closer)
(Hold me closer)
Hold me closer
(Hold me closer) *Me closer, me closer*
(Hold me closer) *Mm, yeah*
