“Leak It”

[Chorus: Ari Lennox]

I'll leak it
'Cause, baby, I ain't got no shame
Might just go ahead and leak it
I want you to see it this way
Yeah

[Post-Chorus: Ari Lennox]

No filter, backdrop
No sparkles, no crop
Leak it (Leak it, ooh)
All on your beautiful face

[Verse 1: Ari Lennox]

I could care less what they see
'Cause you got me, got me (You got, you got me)
Feelin' a way (You got me feelin' a—)
And I'll undress
Any place (Gon' get naked for you, oh)
You are the one and only that got me feelin' safe

[Chorus: Ari Lennox]

I'll leak it
Yeah
'Cause, baby, I ain't got no shame
Got no shame, yeah
I might just go ahead and leak it (Leak it, leak it, ooh)

**I want you to see it this way
Baby**

[Verse 2: Chlöe]

**I'm leakin', you got me drippin' (Drippin')
Holy water, that's what you drinkin'
I'll make you drown way in the deep end
Moan in my ear, yeah, while you're sinkin'
I like it harder, baby, make it rough
Round after round, I never, ever get enough
I'll quench your thirst, I'll make it wet (Wet)
A hurricane, yeah, I'm the best (Best)
Million-dollar movie, we can make a tape
Everybody watchin', don't care what they say
Rainin' on your face, baby, keep the pace
Kiss me on my lips, let me get a taste, oh
[Chorus: Both, Ari Lennox, Chlöe]**

I'll leak it

Yeah

**'Cause, baby, I ain't got no shame (No shame)
Got no shame, hey (No shame)
I might just go ahead and leak it (Leak it, leak it, leak it, leak it, leak it)
I want you to see it this way
You see it, you feel it, babe
You see it, you feel it, babe
I can see that you feel it, babe (*Baby*)
Baby, baby, baby**

[Post-Chorus: Ari Lennox]

**No filter (*Baby*), backdrop (No, no, no)
No sparkles (*Baby*), no crop (Crop)
Leak it (*Baby*, I'ma go and leak it, oh)**
