Uh, put up with my shit for so damn long (Long)

Some things just better off not knowin' (Not knowin')
That ain't right, been movin' out of spite
Yeah (Yeah), yeah (Yeah), yeah
Who gon' hold me down, gon' be around? Girl, all I need is you
I don't give no fuck what I find out, I still wanna be with you
After all the shit I put you through, what the fuck I look like leavin' you?

[Chorus]

I wanna hear it again (Again)
So tell me you love me again (Again)
Tell me you trust me again (Again)
Tell me it's us 'til the end (Us 'til the end)
I wanna touch you again (Touch you again)
I wanna cuddle again (Cuddle again)
I wanna fuck you again (Fuck you again)
Shotty, let's make it a plan (Yeah)
I'll be on my way tonight (Tonight)
Private jet, I ain't missin' no flight (Missin' no flight)
Come put that dick in your life (Dick in your life)
I'm tryna make you my wife (Yeah)
'Member the first day I met you (Met you)
