## “No one dies from love”

[Verse 1]

We were so magical, why end this way?  
I know you're furious, yeah, just like me  
You got good reasons, but I do too  
What really happened here? I wish I knew

[Pre-Chorus]

It escalated so fast  
We yelled things we can't take back  
It escalated too soon  
I know what they say, I know that they say that

[Chorus]

No one dies from love  
Guess I'll be the first  
Will you remember us?  
Or are the memories too stained with blood now?  
No one dies from love  
Guess I'll be the first  
Will you remember us?  
Or are the memories too stained with blood now?

[Verse 2]

I tried my best with you, you claim the same  
Somehow, we're strangers, but share this pain  
Keep writin' letters I'll never send

**Don't want you movin' on when it's my end**

[Pre-Chorus]

**It escalated so fast (So fast)  
We yelled things we can't take back (Take back)  
It escalated too soon  
I know what they say, I know that they say that**

[Chorus]

**No one dies from love  
Guess I'll be the first  
Will you remember us?  
Or are the memories too stained with blood now?  
No one dies from love (No one dies from love)  
Guess I'll be the first (Guess I'll be the first)  
Will you remember us? (You'll remember)  
Or are the memories too stained with blood now?**

[Bridge]

**(Love)**

[Chorus]

**No one dies from love (No one dies from love)  
Guess I'll be the first (Guess I'll be the first)  
Will you remember us? (You'll remember)  
Or are the memories too stained with blood now?  
No one dies from love (No one dies from love)  
Guess I'll be the first (Guess I'll be the first)  
Will you remember us? (You'll remember)  
Or are the memories too stained with blood now?**
