## “Splash”

[Intro: John Legend]

Oh, oh

Oh

**Splash, listen**

[Verse 1: John Legend]

**Sunday mornin', holy water**

**Runnin' over, let me know you**

**Really want it, slide up on it**

**Rain down on me, let the water**

[Pre-Chorus: John Legend]

**Purify me, wanna be baptized**

**Taste those thighs, make 'em touch the sky**

**Purify me, bring me back to life**

**Each and every time that I take a dive and I—**

[Chorus: John Legend & *Jhené Aiko*]

***Splash, splash***

**Yeah, I'm swimmin' in it right**

**I'm spendin' every night, yeah**

***Splash, splash***

**The deeper that we go**

**You feelin' every stroke, oh**

***Splash* (Splash), *splash* (Splash)**

***Splash* (Speech), *splash* (Ooh)**

***Splash* (Ooh), *splash***

**I'm swimmin' in it right  
I'm spendin' every night, yeah**

[Verse 2: Jhené Aiko]

**Ride that boat, coast to coast  
Wet that bed, boy, you know I'll—  
Ride this way for a trillion days  
Take me all the way, I love it when you—**

[Pre-Chorus: John Legend, *Jhené Aiko* & Both]

**Purify me, wanna be baptized  
Taste those thighs, make 'em touch the sky (*Woah*)  
Purify me, bring me back to life  
Each and every time that I take a dive and I**

[Chorus: John Legend, *Jhené Aiko* & Both]

***Splash (Ooh), splash*  
I'm swimmin' in it right  
I'm spendin' every night, yeah  
*Splash (Splash, yeah, yeah), splash*  
*The deeper that we go*  
*I'm feelin' every stroke, oh*  
*Splash, splash (Splash)*  
*Splash (Speech), splash (Splash)*  
*Splash (We), splash*  
I'm swimmin' in it right  
I'm spendin' every night, oh**

[Verse 3: Ty Dolla \$ign]

**Splish, splash, I just stay wet like bubble bath  
Better yet a late, nah, better yet to sleep  
I'm makin' her squirt and it's all on my sheets  
She wet the bed up  
Every time I hit it from the back, lil' shorty say, "Bless up"  
Just got your hair done, you know it's gon' get messed up  
Give you affection, I give you pleasure**

**Girl, who else you know gon' fuck you better?  
Girl, I got ninety-nine ways to make you melt  
And I can swim like Michael Phelps, I made it**

[Chorus: John Legend, Ty Dolla \$ign, *Both* & *Jhené Aiko*]

***Splash, splash (Ooh)***

***I'm swimmin' in it right***

***I'm spendin' every night (Shawty, yeah)***

***Splash (Yeah, ooh-ooh, yeah), splash***

***The deeper that we go***

***I'm feelin' every stroke, oh***

***Splash, splash (Splash)***

***Splash, splash (Ooh)***

***Splash, splash***

***I'm swimmin' in it right***

***I'm spendin' every night, yeah***

[Outro: *Jhené Aiko*, *John Legend* & *Both*]

**Spent the whole weekend swimmin' in the deep end**

***Splash (Ayy), splash (I want it)***

**Spent the whole weekend (*I want it*) swimmin' in the deep end (*All day,  
all night*)**

**Just right, I like it**

***Ayy (Woah)***

**Backstroke, breaststroke, how deep we go**

***Oh, woo, splish, splash***

**Splish, splash, splish, splash, splish, splash**
