“up off x”

[Chorus]

Yeah, yeah

Yeah, yeah, yeah, yeah

Sittin' outside, just still on X (Yeah, yeah, yeah)

Up all night 'cause I'm up off X (Yeah, yeah, yeah)

Bro, you not rich, not rich like this (Yeah, yeah, yeah, ack)

Five hundred K on my shoes like this (Ack)

Two million cash on my bitch like this (Bitch, like what? Bitch, like what?)

Got two twin Glocks on my side like this (Huh, huh-huh)

Got a big AR, it'll turn you to piss, ha (Hah, huh, bang)

Yeah, up all night 'cause I'm up off X

Still outside, bitch I'm still on X

Up all night 'cause I'm up off X

Up all night 'cause I'm up off X (Yeah, yeah)

Up all night 'cause I'm up off ecstasy

Up all night 'cause I'm up off ecstasy

[Verse]

Bitch, I'm makin' a hit every time

Bitch, I'm makin' a hit every time

Got 'em sick like flu, like swine

And that drink look to me like wine (Skrtrt)

Rippin' the coupe by the side, yeah

Boot up on X all night, yeah

Livin' however I like, yeah
I'm livin' this shit it my life, yeah
We makin' a movie like Spike, yeah

She pull up, she ridin' my bike, yeah
More boot up? I can't decide, yeah
With a Perky, then crash up my life, yeah

Yeah, just got word from Thug, 'bout to crank that bitch (What?)

Yeah, swervin' it daily, might fuckin' crank that bitch (Skrtrt)

Ridin' in muhfuckin' Maybach, turn it around and muhfuckin' lick that
bitch

I made that shit happen, I made it from nothin' and muhfuckas hate that
shit

And I know that you broke as a bitch if you got enough time to be hatin'
on shit

I don't give a fuck 'bout no followers, I don't give a fuck 'bout none of
this shit

Yeah, fuck all the internet, fuck all the politics, yeah, they could suck my
dick

You heard what I said, you heard what I said, 'bout to run it back

Up all night 'cause I'm up off X (Yeah, yeah-yeah, yeah)

[Chorus]

Yeah, yeah

Yeah, yeah, yeah, yeah
Sittin' outside, just still on X (Yeah, yeah, yeah)
Up all night 'cause I'm up off X (Yeah, yeah, yeah)
Bro, you not rich, not rich like this (Yeah, yeah, yeah, ack)
Five hundred K on my shoes like this (Ack)
Two million cash and my bitch like this (Bitch, like what? Bitch, like
what?)
Got two twin Glocks on my side like this (Huh, huh-huh)
Got a big AR, it'll turn you to piss, ha (Hah, buh, bang)
Up all night 'cause I'm up off X
Still outside, bitch I'm still on X
Up all night 'cause I'm up off X
Up all night 'cause I'm up off X (Yeah, yeah)
Up all night 'cause I'm up off ecstasy
Up all night 'cause I'm up off ecstasy

[Outro]

Yeah, yeah
Yeah, yeah, yeah, yeah
Sittin' outside, just still on X (Yeah, yeah, yeah)
