## “GO AGAIN (Intro)”

[Chorus]

Okay, now fuck that, go again, okay  
I'ma let her do a thing on the internet and fuck that ho' again

It's too hot right now, we can't ride around with all of that  
Fuck that, load 'em in (Yeah)  
Baby On Baby 2, nigga, this the intro  
Everybody turned at my shows again

[Verse 1]

Yeah, bitch, I'm still number one, what the fuck niggas thought? (What niggas think?)

This bitch right here bulletproof  
I got a M in this bitch, it's a motherfuckin' bar (It's a M)

I could still get you hit, I'm the boss (Yeah)  
This shit here ain't nothin' new  
Know how many times a nigga fell down and shook off a loss? (I ain't trippin')

I'm somewhere with somethin' fine  
Givin' her dick on the couch with my dick in your mouth  
These niggas hoes, I'm all the way round (All the way up)

All this shit niggas' braggin' 'bout  
Nigga, I ain't trippin' on that, 'cause I bought it already  
All my hoes call me they daddy  
I'm in the drive-thru at Chick-fil-A breakfast in the Rolls Royce

**Askin' for condiments heavy**

I just got mad at the nigga (What the fuck, man?)  
'Cause he gave me grape and I asked him for strawberry jelly  
(What the fuck, man?)  
Bitch, doin' too much, hope you have a good day (What happened?)  
She quit playin' her role and I cut her  
I'm through with her, I thought I had me a bae  
Can't help it, bitch, I keep it gutter  
Bitch, I'm a gentleman  
I put this Louis V jacket on the ground just to cover a puddle  
But you ain't finna play with me, you know it's Baby  
Gon' fuck on them hoes and gon' get him some money, nigga  
Yeah, Baby On Baby 2

[Chorus]

Okay, now fuck that, go again, okay  
I'ma let her do a thing on the internet and fuck that ho' again (Yeah,  
yeah, you know, you know that's still my bitch, nigga)  
It's too hot right now, we can't ride around with all of that  
Fuck that, load 'em in (Yeah, I'm talkin' 'bout—, haha)  
Baby On Baby 2, nigga, this the intro (Two, two, two)  
Everybody turnt at my shows again (Two, nigga)

[Verse 2]

Tell her "Two"  
Wanna fuck with me, bitch, come with two (Come with two)  
I'm a dog, I'ma do what I do (I'ma—)  
Oh, you got it like that? Tell her "Woof"  
  
Got a gun in here, now I'ma shoot (I'ma—, ooh)  
Signed a lil' NDA, we can woo (We can woo)  
I'ma fuck on 'em all, I'ma swoop, nigga, swish (Swish)  
Know on albums, that nigga don't miss (Let's go)  
We can all fuck, I don't trip  
Nigga always gon' get him a bitch (Mm-hmm)

**Nigga, I'm sittin' courtside, poppin' my shit  
Spillin' my popcorn, photographers' diggin'

**You know how I'm comin', I'm hittin' this niggas' bitch  
Them niggas hittin' my bitch**

**Whoop me a nigga, it's a switch on the stick  
They thought I got in my bag 2019, I ain't even get in this shit
