“I Like You (A Happier Song)”

[Intro: Post Malone]

Ooh, ooh, ooh

Ooh, ooh

[Chorus: Post Malone]

Ooh, girl, I like you, I do

I wanna be your friend, go shoppin' in a Benz

I like you, I do

I'll hit you when I land, can you fit me in your plans?

I like you, I do

We went to bed in France, then we woke up in Japan

I like you, I do (I do, mm)

[Verse 1: Post Malone]

Oh, girl, I know you only like it fancy (Fancy)

So, I pull up in that Maybach Candy

Yeah, your boyfriend'll never understand me (Understand)

'Cause I'm 'bout to pull his girl like a hammy, hammy (Wow)

Let's take a lil' dip, lil' lady, hit PCH, 180

Hey, I've been thinkin' lately

That I need someone to save me

Now that I'm famous, I got hoes all around me

But I need a good girl, I need someone to ground me

**So, please be true, don't fuck around with me
I need someone to share this heart with me
Fill you up, then run it back again (Run it back again)**

[Chorus: Post Malone]

**Ooh, girl, I like you, I do (I do)
I wanna be your friend, go shoppin' in a Benz (Woo)
I like you, I do (I do)
I'll hit you when I land, can you fit me in your plans?**

**I like you, I do (I do)
We went to bed in France, then we woke up in Japan
I like you, I do (Mm, mm, I do)**

[Verse 2: Doja Cat]

**Let me know when you're free
'Cause I been tryna hit it all week, babe
Why you actin' all sweet?
I know that you want little ol' me
I get a little OD, but ain't shit new to a freak**

Let me drop bands, put a jewel in ya teeth

**He love the way I drip, turn that pool to the beach
And I coulda copped a Birkin but I cop Celine
Why we got the same taste for the finer things?
Brand new nigga with the same old team
Now he got me on a leash 'cause he said no strings**

**You know I'm cool with that
Stole the pussy, you ain't get sued for that (Get sued, sued)
Wonder what a nigga might do for that (Do, might do)
I could be your Chaka, where Rufus at? (Where?)**

**80 in the Benz
when that roof go back, ayy**

They don't wanna see us get too attached
I just got a feelin' that we might be friends for a long, long time
You don't mind and you know I like you for that
[Chorus: Post Malone, *Doja Cat*, Both]
Ooh, girl, I like you, I do (*I do*)
I wanna be your friend, go shoppin' in a Benz
I like you, I do (*I do*)
I'll hit you when I land, can you fit me in your plans? (*Baby, yeah*)
I like you, I do (*I do*)
We went to bed in France, then we woke up in Japan
I like you, I do (*I do, mm, I do*)

[Bridge: Post Malone & *Doja Cat*]
I just want you, I just want you
Your heart's so big, but that ass is huge
Just want you
Oh, baby, do you like me too? Ooh, ooh (*Yeah, I like you too*)

[Chorus: Post Malone, *Doja Cat*, Both]
Girl, I like you, I do (*I do*)
I wanna be your friend, go shoppin' in a Benz
I like you, I do (*I do, mm, I do*)

[Outro: *Doja Cat*]
I like you
Don't want it now, I'm with you
