Be talking to never sponsored a.
I get it in three acts,
my kid is in my blood and I least I keep at a different photo.
Shoot,
how about take a bite out of a bitch?
I call it monkey pen,
get away and traffic,
put them on your ball,
but I won't blame.
But I'm not really with the drama.
I put them on a news.
I'm just trying to help his coma and I wanna why
Selfish,
you know,
I keep a gonna okay.
Thanks,
Mr.

Okay.

I did one of you bitches try to run trying
to hit a pussy bitch of in his anger.
This go for anybody I'm coming my anybody like
before you fuck with me you better go get em buddy I got
one event in China.
Trying to hit a pussy nigga and Thank God.
They glorified him bad?
I won't smoke within a bad bitch before you play with me and

Go catch the bad news.
You better come meet your death.
If you compare with that,
she knows to a side opening a nervous Nelly.
Never seen that man needs.
No spin up on a Saturday.
Mama crying.
He never spit up on a block,
a mom,
I miss her baby,
let the switch out.
There's too many shots.
He's got that him a zit on my phone to Sean the Takara.
It's hard to say which is murder in the GPS.
I'll call you on the take.
Taking it.

We should form out the Wonder.
Bitch we happen out the car going
