Pick Me Up - Gabby Barrett Lyrics

"Pick Me Up"

It's been one of those days I don't wanna do twice
No matter what I say, it doesn't come out right
I need one of those nights where you slide me close
'Til we're off the map and you're making me laugh
I don't care if we ever go home
So pick me up, get me lost way out
Down a back two-lane, little George Strait
Way on up, get me outta my head
And outta this town, and tell me no matter what
You'll be by my side, everything gonna be alright
Make the world go black, how you do me like that
When I climb up in your truck, just pick me up, mm
(Pick me up, pick me up)
We could ride on past every one light street
Watch a full moon crash on some sunrise wheat
You can kiss me fast and drive real slow
That old Chevy made take as long as it takes
You and Jesus can fix my soul
So pick me up, get me lost way out
Down a back two-lane, little George Strait
Way on up, get me outta my head
And outta this town, and tell me no matter what
You'll be by my side, everything gonna be alright
Make the world go black, how you do me like that
When I climb up in your truck, just pick me up
Mm, yeah, just pick me up, ooh

Get me lost way out
Down a back two-lane, little George Strait
Way on up, get me outta my head
And out this town, and tell me no matter what
You'll be by my side, everything gonna be alright
Make the world go black, how you do me like that
When I climb up in your truck, just pick me up
Mm, yeah, just pick me up
(Mm, just pick me up)
