“Snap”

The best Canadian rock bands of all time
It's 4 AM
I can't turn my head off
Wishin' these memories would fade
They never do
Turns out people lied
They said, "Just snap your fingers"
As if it was really that easy for me to get over you
I just need time
Snapping one, two
Where are you?
You're still in my heart
Snapping three, four
Don't need you here anymore
Get out of my heart
'Cause I might snap
I'm writing a song
Said, "This is the last one"
How many last songs are left?
I'm losing count
Since June twenty-second
My heart's been on fire
I've been spending my nights in the rain
Tryna put it out
So I'm snapping one, two
Where are you?

You're still in my heart
Snapping three, four
Don't need you here anymore
Get out of my heart
'Cause I might snap
Oh-oh-oh-oh
'Cause I might snap
Oh-oh-oh-oh

And if one more person says, "You should get over it"
Oh, I might stop talking to people before I snap, snap, snap
Oh, I might stop talking to people before I snap
Snapping one, two
Where are you? (Where are you?)
You're still in my heart (still in my heart)
Snapping three, four
Don't need you here anymore (need you here anymore)
Get out of my heart
'Cause I might snap
Oh-oh-oh-oh (snap)
'Cause I might snap
Oh-oh-oh-oh (snap)
Get out of my heart
Oh-oh-oh-oh
'Cause I might snap
Oh-oh-oh-oooh (get out of my heart, yeah)
'Cause I might snap
