## “Super Freaky Girl”

[Intro: Rick James & *Nicki Minaj*]

She's alright  
That girl's alright with me, yeah

Ayo (Hey, hey, hey, hey)

[Pre-Chorus: Nicki Minaj]

I can lick it, I can ride it while you slippin' and slidin'  
I can do all them little tricks and keep the dick up inside it

You can smack it, you can grip it, you can go down and kiss it  
And every time he leave me 'lone, he always tell me he miss it

[Chorus: Nicki Minaj & *Rick James*]

He want a F-R-E-A-K (*Freaky girl*)

F-R-E-A-K (*Freaky girl*)

A-K, A-K, A-K

E-A-K (*Freaky girl*)

F-R-E-A-K (*Freaky girl*)

[Verse 1: Nicki Minaj]

One thing about me, I'm the baddest alive  
He know the prettiest bitch didn't come until I arrive  
I don't let bitches get to me, I fuck they man if they try  
I got a princess face, a killer body, samurai mind  
They can't be Nicki, they so stupid, I just laugh when they try  
A thong bikini up my ass, I think I'll go for a dive

His ex bitch went up against me, but she didn't survive  
On applications I write "pressure" 'cause that's what I apply (Brr)  
P-P-P-Pressure applied, can't fuck a regular guy  
Wetter than umbrellas and stickier than apple pie

[Pre-Chorus: Nicki Minaj]

I can lick it, I can ride it while you slippin' and slidin'  
I can do all them little tricks and keep the dick up inside it

You can smack it, you can grip it, you can go down and kiss it  
And every time he leave me 'lone, he always tell me he miss it

[Chorus: Nicki Minaj & *Rick James*]

He want a F-R-E-A-K (*Freaky girl*)

F-R-E-A-K (*Freaky girl*)

A-K, A-K, A-K

E-A-K (*Freaky girl*)

F-R-E-A-K (*Freaky girl*)

[Verse 2: Nicki Minaj]

'Cause, what the fuck? This ain't Chanel, nigga, custom down?

Like, what the fuck? This ain't Burberry, custom brown

He said "Could you throw it back while you touch the ground?"

Then he said "Do that pussy purr?" I said "Yup, meow"

Hold up, fuck-boys, ain't need no for you to roll up  
Ain't no need for you to double tap neither, scroll up  
Keep these bitches on they toes like Manolo

Be on the lookout when I come through, BOLO

Oh, woah, elegant bitch with a ho glow

If it ain't big, then I won't blow
