Boy, you gon' run into him, run into him
Run into him, 'fore you run into me, like— (Boom)

[Chorus]

Yeah, jump in your face, like— (Huh)
Yeah, stomp in your face like— (Hmm-hmm)
Yeah, big gun let off, like— (Hmm)
Yeah, shots fly off the boy, like— (Boom, hmm)
Swing on the boy, like— (Huh)
Beat up the boy, like— (Hmm-hmm)
Yeah, shots flying off the boy, like— (Boom, boom, boom)

[Verse]

Jump out the car, just me and my gun (Skrrt)
Don't twitch, don't move, don't run (Nah)

He don't fight back, then it ain't no fun

My ex wanna fuck and I still might let her
But I'm still gon' leave, she don't feel no better (Look)

I see an opp, I look to the left
I tap his shoulder, my son gon' blow (Grrt, baow)
