“Ain't Safe”

Nigga, this shit ain't-
Nigga, this shit ain't-
Nigga, this shit ain't safe
Nigga, this shit ain't safe
I done moved around, Nat Geo
I done dodged that bitch like Neo, oh
Nigga, this shit ain't safe
And her friend came down from Rio
She done moved in with a whole kilo, oh
Keep it poppin', oh
OxyContin, oh
She be poppin', oh
.40s droppin', oh
See me stoppin', oh
Never stoppin', oh
OxyContin, oh
.40 drops, oh
Yeah (yeah, oh)
Nigga, this shit ain't safe
Cartier ice, the face
Pourin' a four of the drank (yeah, yeah, woo)
Movin' around in the tank
Diamonds, they water, they wet like a lake (diamonds, they water, they
wet like a lake)
Thinkin' 'bout causin' a scene today (yeah)

Slidin' around with that bank (yeah)
Slidin' around with a K (yeah)
You play with my brothers, then you gotta pay
We zip that boy up like he rockin' some BAPE (BAPE)
Pussy, you better obey (obey)
You niggas better play safe (play safe, nigga, this shit ain't-)
Woah (nigga, this shit ain't-)
You better play safe
Nigga, this shit ain't safe
Nigga, this shit ain't safe
I done moved around, Nat Geo
I done dodged that bitch like Neo, oh
Nigga, this shit ain't safe
And her friend came down from Rio
She done moved in with a whole kilo, oh
Keep it poppin', oh
OxyContin, oh
She be poppin', oh
.40s droppin', oh
See me stoppin', oh
Never stoppin', oh
OxyContin, oh (yeah)
.40 drops, oh
You know this life risky (yeah)
Try me, bitch, I spray it 'til it's empty (grrrt, baow)
Purple in my cup, I feel like Pimp C (swear)
Keep some niggas 'round me down to fall and catch a case (catch a
case)
Bring your crew
We off '42, bae, let's have some sex (sex)
Bae, let's blow some cheques (cheques)
Got me gettin' high off of Percocets (Perky)
I can hear the blue face callin'
Yeah, I'm full of that juice (dirty)
If you run up, I'm sorry, I tried to told you (baow)
