"Baby (Hamza Remix)"

[Intro: Aitch & Ashanti]

Awww, baby, awww, baby

I just wanna love you, baby, always thinkin' of you, baby
You know I got it, baby, what do you want? (Awww, baby)
You know I got it, baby, what do you need? (Awww, baby)

She like, "I just wanna love you, baby"

She say, "Always thinkin' of you, baby"

Awww, baby, awww, baby

She like, "I just wanna love you, baby"

She like, "Always thinkin' of you, baby" (Yeah)

You know I got it, baby, what do you want? (Awww, baby)
You know I got it, baby, what do you need? (Awww, baby)

She like, "I just wanna love you, baby"

She like, "Always thinkin' of you, baby"

[Verse 1: Hamza]

Ouh, ouh, ouh

Pour toi, j'mets mon ego sur le té-c', ah, bébé, t'aimes les diamants et les
Birkin bag (Ah, baby)

Il m'faut un peu de ganja maintenant, là car la go' me presse, comme si
c'était Guardiola (Ah, baby)

Encore un nouveau milli' sur le té-c', une Rollie sur le té-c'
Un bolide sur le té-c' (Woah-woah, oh), un calibre sur le té-c'

Say my name, ma chérie

Play no games, ma chérie

Bad bitch, elle veut l'faire dans le jet
Elle danse et puis, le sol est plein de racks (Ouh)
Mon bébé, tu sais que j'porte le fer
Et t'es tellement sexy, tu sais que j'parle de faits (Ouh, ouh)
On fait ça sur le backseat
Fait les bails nasty
Aw, baby, aw, baby

[Chorus: Aitch & Ashanti]

You know I got it, baby, what do you want? (Awww, baby)
You know I got it, baby, what do you need? (Awww, baby)
She like, "I just wanna love you, baby"
She like, "Always thinkin' of you, baby" (Yeah)
You know I got it, baby, what do you want? (Awww, baby)
You can have it if you're rollin' with me (Awww, baby)
She like, "I just wanna love you, baby"
She like, "Always thinkin' of you, baby" (Yeah, yeah, ooh)

[Verse 2: Aitch & Ashanti]

She want kids, I want cribs in the sticks (Yeah)
Still bougie, she ain't tryna wait 'til Christmas for gifts (Ooh)
If I left, would she miss me a bit? (Yeah)
Is she ridin' my wave? Is she sinkin' my ship? (No way)
Tough love, yeah, it literally is
And I know you get pissed when you're thinkin' of it (Uh)
But we can still get that bling on your wrist
She like, "Oh, baby, I'm satisfied" (Woo)
Yeah, yo, now I'm zoned out, start to go mental
I can't mix my love with my schedule (No way)
Always askin' me why I'm never home
I just said, "I gotta push my potential"
Wake up lookin' sexy, and she stunning when she pose
Close to perfect when she naked and she curvy in the clothes
Get the Lamborghini white, I paint the Urus like her toes
Ain't no other brother got her this certi and she knows (Young Aitch)

[Chorus: Aitch & Ashanti]

You know I got it, baby, what do you want? (Awww, baby)

You know I got it, baby, what do you need? (Awww, baby)

She like, "I just wanna love you, baby"

She like, "Always thinkin' of you, baby" (Yeah)

You know I got it, baby, what do you want? (Awww, baby)

You can have it if you're rollin' with me (Awww, baby)

She like, "I just wanna love you, baby"

She like, "Always thinkin' of you, baby"

[Outro: Ashanti]

Can you rock with me? (Awww, baby)

Nonstop with me (Oh, no)

Can you take it to the top with me?

I just...
