“FREAKSHOW”

Welcome to the Freakshow,
call the calling off freak on phones at the Freakshow
once you type of the size of a ping-pong.

Yes.

The Freakshow friction friction call and calling
all freaked out.

Phones at the Freakshow tight
about the size of a pea pod cast,
freak Show,
no gag.

When I deep throat.
10 bands for the peak,
coal bunker Love Letter where to see knows someone
eating the same,
the free show light-skinned dark-skinned.

Yeah,

I need both fucking hard to describe.

I'm living a how small it is.

Welcome to the Freakshow freak
on phones at the Freakshow once
you type of the sides of a people.

Yes,

the freak Show at
the Freakshow clapping,
it's going They

jump from the free-throw.
Look,
how hard it is.
Welcome to the Freakshow.
Freak.
