## “Firebabe”

### **[Intro: Debbie Ehirim]**

Stealin' all their hearts, yeah  
Stealin' all their hearts, yeah  
Stealin' all their hearts, yeah  
Stealin' all their hearts, yeah

### **[Verse 1: Stormzy]**

She was standin' in her dress  
And she was lookin' like an angel  
Her eyes took away my breath  
And that's when I knew she was mine until the end

### **[Pre-Chorus: Stormzy]**

My miracle  
My happy place  
My heart and soul  
Forever yours

### **[Chorus: Stormzy & Debbie Ehirim]**

'Cause I, I just can't explain  
Even in the way, you love me with your flame (Flame)  
My firebabe (Woah-woah-woah-woah-woah)  
You keep burnin' bright  
Touch me with your name, and I'll be with your flame  
My firebabe

**[Verse 2: Stormzy, Debbie Ehirim & Both]**

She makes (Hmm), everybody laugh (Everybody laugh)  
Then she starts dancin' on the table (Ooh-ooh-ooh)  
She can't stop stealin' all their hearts (Stealin' all their—, ooh-ooh-ooh)  
How she lights up a room, somethin' to behold (Ooh-ooh-ooh)

**[Pre-Chorus: Stormzy & Debbie Ehirim]**

My miracle  
My happy place  
My heart and soul  
Forever yours

**[Chorus: Stormzy & Debbie Ehirim]**

'Cause I, I just can't explain (I just can't explain)  
Even in the way (Even in the way)  
You love me with your flame (Love me with your flame)  
My firebabe (Woah-woah-woah-woah-woah)  
You keep burnin' bright  
Touch me with your name (Touch me with your name)  
And I'll be with your flame (Your flame, your flame)  
My firebabe

**[Outro: Debbie Ehirim]**

Oh-oh-oh-oh-oh (Oh-oh-oh-oh)  
Oh-oh-oh-oh-oh (Oh, hmm)
