## "It's Giving Christmas"

### [Verse 1]

Countin' down the days  
'Til we're smilin' faces for the season now  
Somebody gon' feel it  
Whether you're young or old we got the presents now  
I know (You know), you know (I know)  
We know (Ha, we know), every year we get the family, come on (You do)  
You know (I do)  
We know (We do)

### [Pre-Chorus]

No matter all the richest or poorest  
We're all here as one  
Christmas is giving  
Now we're all here for love

### [Chorus]

If you want it  
Ain't no better holiday  
Everybody sayin' that we made it  
Put that thing up on your wishlist  
It's giving Christmas, oh, wow  
Ain't no better holiday  
When we lovin' in the snow, we be blazin'  
Just write it on your wishlist

It's giving Christmas, oh, yeah

**[Post-Chorus]**

It's giving Christmas, oh, yeah

It's giving Christmas, oh, yeah

**[Verse 2]**

Excited when you leave your bed

Up early 'cause I feel the love

It's callin' for some snow today

Got a mistletoe, so let's kiss under it

Let's make a snow angel

Listen out for some reindeer

Show some love to a stranger

**[Pre-Chorus]**

'Cause no matter all the richest or poorest

We're all here as one (As one)

Christmas is giving

Now we're all here for love

**[Chorus]**

If you want it (I know)

Ain't no better holiday (Oh)

Everybody sayin' that we made it

Put that thing up on your wishlist (Yeah)

It's giving Christmas, oh, wow

Ain't no better holiday

When we lovin' in the snow, we be blazin'

Just write it on your wishlist

It's giving Christmas, oh, yeah (Ooh, ooh-oo-oo)

**[Post-Chorus]**

It's giving Christmas, oh, yeah

It's giving Christmas, oh, yeah

**[Bridge]**

Girl, I need your love  
Let my heart fill up  
Sleighbells ringin' far and wide  
(It's goin' down the chimney)  
Oh, feel the spirit (Yeah-yeah)  
Can't you hear it?  
Love, peace, and light through the night  
Ain't no better

**[Chorus]**

Ain't no better holiday (Oh)  
Everybody sayin' that we made it (We made it, yeah-yeah)  
Put that thing up on your wishlist (Oh)  
It's giving Christmas, oh, wow (Yeah)  
Ain't no better holiday (Ain't no better)  
When we lovin' in the snow, we be blazin'  
Just write it on your wishlist (Yeah)  
It's giving Christmas, oh, yeah

**[Post-Chorus]**

Just write it on your wishlist  
It's giving Christmas, oh, yeah (Oh)  
Write it on your wishlist  
It's giving Christmas, oh, yeah
