“No Ice”

[Intro: Erick the Architect]

Where you at?

Yup, yup

Where you at?

Yup, yup

[Chorus: Erick the Architect & AKTHESAVIOR]

Get some on the gang (Both ride)

Ex girl hit my line (Go silent)

Muzzle on the pistol (So quiet)

All you hear is, "Shh" (Be quiet)

I done made a change (Whole life)

I done rolled half (I done rolled half, gold stripes)

Used to bag a dame (Used to bag a dame, your type)

Now I'm rockin' plain (Now I'm rockin' plain, no ice)

[Verse 1: Erick the Architect]

Even though I'm winnin', this a bad sport (Woah)

I just wanna take the Bentley crash course (Ayy)

Revvin' up the engine while I pass yours (See you)

DSM for shoppin', I got mad sauce (Woo)

Ain't nobody worried 'bout no threats though

I stole off on a nigga like a klepto (Give me that)

I got someone who could do it for the bread dough (What?)
Plus a couple who would do it 'cause I said so (Brrt, brrt, brrt)
Feel foolish, I don't do this for the clout (For the clout)
I don't do this but a nigga steppin' out (Steppin' out)
You're impressive but your luck is runnin' out (Runnin' out)
It's a deficit, ain't really workin' out (Workin' out)
Prada everything is what it's all about (Woo)
Tell the bae, keep a pink pistol in her pouch (Ooh)
Nowadays, I don't trust a friend so frail
Just another young nigga ridin' coat tails (Mm-hmm, mm-hmm)

[Chorus: AKTHESAVIOR & Erick the Architect]

Get some on the gang (Both ride)
Ex girl hit my line (Go silent)
Muzzle on the pistol (So quiet)
All you hear is, "Shh" (Be quiet)
I done made a change (Whole life)
I done rolled half (Gold stripes)
Used to bag a dame (Your type)
Now I'm rockin' plain (No ice)

[Verse 2: AKTHESAVIOR]

Yeah, look
Shorty give me brain with the cold ice (Woo)
Nigga sippin' on a four, gotta pour it right (Yeah)
Scottie Pippen, runner up but I'm more Mike
For the chicken, make 'em duck, get the dough right (Yee)
I done went worldwide with the same niggas (Facts)
Use a brush for the waves like I paint pictures (Woo)
They be quick to say you changed when you paid different (Ayy)
Middle finger, I display when I'm lane switchin'
Look, future shinin' like my VVS's
I ain't rockin' brands, I like to keep 'em guessin'
I been bill collectin', you can leave a message, nigga
Big investments on my own reflection

Always keep the poll but homie, no election
Payed the toll and now his soul ejected (Yee)
Aura golden, countin' all my blessings (Look, grrt)
Gotta move in silence, be the code of legends, nigga

[Chorus: Erick the Architect & AKTHESAVIOR]

Get some on the gang (Both ride)
Ex girl hit my line (Go silent)
Muzzle on the pistol (So quiet)
All you hear is, "Shh" (Be quiet)
I done made a change (I done made a change, whole life)
I done rolled half (I done rolled half, gold stripes)
Used to bag a dame (Used to bag a dame, your type)
Now I'm rockin' plain (No ice)

[Verse 3: Erick the Architect & AKTHESAVIOR]

Which style I'm gon' resurrect? (Which one?)
Know that I'm fresh to death
A nigga flex and ain't put on no jewelry yet (What I'ma do?)
AK imagine when we connect
Let me intercept
Stay finessin' while you on the bench, pressed
Money hungry, I follow the cents' scent (Mm-hmm)
Mix the fronto now nigga, I'm bent, bent (Ayy)
Always humble but I let my bank rant (Woo)
I ain't really have no choice in this shit
If you want to run the streets, you rap to get rich (Uh-huh)
Way too humble, had me skrrt the Honda
Had to get my funds up, now we back in this bitch (Uh-huh)
All of that ice and your shit lookin' cloudy
Don't like that fake shit, I can't keep it 'round me
Clarity without a doubt
Let's see who's shinin' for the clout (Shinin', grr, grr, grr)

[Chorus: Erick the Architect & AKTHESAVIOR]

Get some on the gang (Both ride)
Ex girl hit my line (Ex girl hit my line, go silent)
Muzzle on the pistol (Muzzle on the pistol, so quiet)
All you hear is, "Shh" (Shh, be quiet)
I done made a change (Whole life)
I done rolled half (Gold stripes)
Used to bag a dame (Used to bag a dame, your type)
And I'm rockin' plain (No ice, brr, brr, brr)

[Outro: Erick the Architect & AKTHESAVIOR]

Both ride (Ayy)
Muzzle on the pistol (So quiet)
I done made a change (Whole life)
Used to bag a dame (Your type)
(No ice)
