## “Star In The Room”

I was getting money since way young  
I be getting to it till the day done  
She wearing Designer pull up I'm wearing it too  
I be getting money Nigga ain't worried bout you  
This the life I'm living Nigga give fuck about you  
Getting bitches getting money ain't fucking with you  
Ice is on me shining bright like the stars in the moon  
Every body watching me I'm a star in the room

Ain't no fucking place that I can't go  
I walk inside the spot and grab bank roll  
Talking like boss I got my hands fold  
Nigga I'm diamond platinum and gold  
Hate when they be talking but was fans on of you  
You ever seen the whole world turn they hands on you  
God he back yo back he got plan for you  
So I keep that choppa it won't jam on you

All the way we go  
All the way we go  
I can take your girl to places she never seen before  
I wanna see her put it all the way down her throat  
I wanna see how far it go it go it go it go  
Coming out of Brooklyn I'm a CEO  
Know them OGs did it but it just a young nigga go

She just want her turn  
She just wanna live and learn  
I'mma give it to her slow she jump on top my pole

I was getting money since way young  
I be getting to it till the day done  
She wearing Designer pull up I'm wearing it too  
I be getting money Nigga ain't worried bout you  
This the life I'm living Nigga give fuck about you  
Getting bitches getting money ain't fucking with you  
Ice is on me shining bright like the stars in the moon  
Everybody watching me I'm a star in the room
