“Victoria's secret”

God, I wish somebody would've told me
When I was younger that all bodies aren't the same
Photoshop itty bitty models on magazine covers
Told me I was overweight
I stopped eating, what a bummer
Can't have carbs in a hot girl summer
If I could go back and tell myself
When I was younger, I'd say, "Psst
I know Victoria's secret
And, girl, you wouldn't believe
She's an old man who lives in Ohio
Making money off of girls like me"
Cashin' in on body issues
Sellin' skin and bones with big boobs
I know Victoria's secret
She was made up by a dude (dude)
Victoria was made up by a dude (dude)
Victoria was made up by a dude
I wish somebody would've told me that thighs of thunder
Meant normal human thighs
The fuckin' pressure I was under
To lose my appetite
And fight the cellulite with Hunger Games like every night
If I could go back and tell myself
When I was younger, I'd say

"Hey, dummy
I know Victoria's secret
Girl, you wouldn't believe
She's an old man who lives in Ohio
Making money off of girls like me"
Cashin' in on body issues
Sellin' skin and bones with big boobs
I know Victoria's secret
She was made up by a dude (dude)
Victoria was made up by a dude (dude)
Victoria was made up by a dude
I know Victoria's secret
And, girl, you wouldn't believe
She's an old man who lives in Ohio
Making money off of girls like me
Cashin' in on body issues
Sellin' skin and bones with big boobs
I know Victoria's secret
She was made up by a dude
I know Victoria's secret
And, girl, you wouldn't believe
She's an old man who lives in Ohio
Making money off of girls like me
Cashin' in on body issues
Sellin' skin and bones with big boobs
I know Victoria's secret
She was never made for me and you
