

Washed-Away Kelela Lyrics

This Lyrics is downloaded from Showthelyrics.com check out for more lyrics

“Washed”

[Chorus]

Far away
Far away
Far away
Washed away

[Verse]

The mist, the light, the dust that settles in the night
The hope, the longing, fade away, blurry-eyed
Riding out on metal rays
Moving on, a change of pace, and I'm

[Chorus]

Far away
Far away
Washed away
Away, way
