"You Don't Know My Name"

[Intro: Alicia Keys]

(Ballout)

You don't know my name

[Verse 1: Bandmanrill & Fetty Wap & Alicia Keys]

Huh, (huh)

Just keep it a bean, are you fucking with bro?

You always saying, "it's not what it seems" so girl what's the word, just
please let me know

Bitch, is you fucking this or what? just let me know you got me looking
dumb

My homies told me, from jump, you a slut

Pain in my heart got me feeling too numb (wait) (You don't know my name)

Tell that [n-word] you don't know my name

When we fucking, you screaming my name

And you think I be putting in pain

Man that [n-word] you fucking a lame

All my [n-word] they be in the field

If he play, get shot in his brain

Where I'm from it really get real (aye) (You don't know my name)

Keep it on me I'm never a stain (hmm)

It's the band man with the gram man

Got work you know it's

I will never shut my trap down, be counting up for weeks
And that car better be strapped down, he thinking he robbing me, hmm
yeah
Hop out with that FN and put that boy to sleep, bitch please, bitch please
(You don't know my name)

-

[Verse 2: Bandmanrill]

If he play, get shot in his brain
Where I'm from it really get real (You don't know my name)
Keep it on me I'm never a stain, wait
Beretta's, uhh
Glizzy boy, you a wetter, uhh
I can tell his ass to chill
with this cheddar
I'm back to these little strikes get your bread up

That's why I stay on my toes
Only fucking with my bro's
See me in person, that lil' froze
they be riding with the poles
