## "Blind"

### [Verse 1]

Niggas want me to get ratchet  
Niggas want me to attack it  
Put the hood on, now they callin' me Cassius  
Raunchy like Bob Saget  
Greedy, I can't pass it  
Eatin' everything, nigga, no fasting  
I don't care how much you knew me in the past tense  
I ain't no Julia Stiles, this ain't no last dance, way past it  
Way  
Fuckin' on my ex 'cause he validate me  
Fuckin' up a check, I don't want no receipt  
Might get possessed, let my spirit speak freely

### [Pre-Chorus]

Hey, my past can't escape me  
My pussy precedes me  
My, my, how the times change  
I'm still playin' the victim  
And you still playin' the pick-me

### [Chorus]

It's so embarrassing  
All of the things I need living inside of me

I can't see it  
It's so embarrassing  
All of the love I seek living inside of me  
I can't see, I'm blind

**[Post-Chorus]**

Blind, blind  
Blind, blind  
Blind, blind  
Blind, blind  
Blind, blind

**[Verse 2]**

You ain't getting your bitch back  
"Calm down, shit could be worse," never say that  
I don't wanna pipe down, rather get payback  
Mama told me never shit where you lay at  
I don't want righteousness  
I hurt too much, I lost too much, I lust too much  
I hit my clutch and vroom  
Third day, pop out the tomb  
I love when you pull your gun at the red light  
I like all that violence, give me dysfunction  
I like when you come, never stay the whole night  
Better when you high, never tell me I'm wrong

**[Pre-Chorus]**

'Cause my past can't escape me  
My pussy precedes me  
My, my, how the times change  
You still talking 'bout babies  
And I'm still taking a Plan B

**[Chorus]**

It's so embarrassing  
All of the things I need living inside of me  
I can't see it  
It's so embarrassing  
All of the love I seek living inside of me  
I can't see, I'm blind

**[Post-Chorus]**

Blind, blind  
Blind, blind  
Blind, blind  
Blind, blind  
Blind, blind
