"Bop Bop"

[Pre-Chorus]

When I'm on the scene all the hoes gon' jock
Phone gon' ring, coins don't stop
Clubbin' all night, bottles gon' pop
Step off in the spot, bop-bop-bop

[Chorus]

Bop-bop-bop (It's whatever), bop-bop-bop (Ayy)
Step off in the spot (Ayy), bop-bop-bop (Ayy)
Bop-bop-bop (It's whatever), bop-bop-bop (Ayy)
Step off in the spot (Ayy), bop-bop-bop (Ayy)

[Post-Chorus]

(Let the beat boom)
Let's go, let's go, let's go
Let's go, let's go, let's go (Let the beat boom)
Let's go, let's go, let's go
Let's go, let's go, let's go

[Verse 1]

This a lil' story all about how you run a nigga pockets only usin' ya mouth
Talkin', talkin' 'bout his bread (Yeah), talkin' 'bout his cheese (Okay)
When them pockets drain, ladies, grab your keys
Zoom, zoom-zoom, zoom-zoom
Dust a nigga off, better leave him to fumes

Been pimpin' niggas since I came out the womb
Sweepin' through these hoes, I'ma need me a broom

[Pre-Chorus]

When I'm, when I'm on the scene all the hoes gon' jock (Yeah)
Phone gon' ring (What?), coins don't stop (Okay)
Clubbin' all night (Uh-huh), bottles gon' pop (Hollon)
Step off in the spot (Yeah), bop-bop-bop (Ah)

[Chorus]

Bop-bop-bop (It's whatever), bop-bop-bop (Ayy)
Step off in the spot (Ayy), bop-bop-bop (Ayy)
Bop-bop-bop (It's whatever), bop-bop-bop (Ayy)
Step off in the spot (Ayy), bop-bop-bop (Ayy)

[Verse 2]

Bop-bop-bop, bitch, back up (Move back)
I'm 'bout to drop, drop, drop, time to act up (Ow)
I got the sauce and the boys McLovin'
Can't keep a man 'cause a bitch be clubbin' (Outside)
Bad bitch that got plenty (Plenty)
Don't ask who, ask how many
Clique full of dimes, we don't do pennies
Swag on a hundred, hoes givin' twenty (Ugh)

[Pre-Chorus]

When I'm, when I'm on the scene all the hoes gon' jock (Jockin' ass hoes)
Phone gon' ring (Yeah), coins don't stop (Uh-huh)
Clubbin' all night (Okay), bottles gon' pop (Okay)
Step off in the spot (Ow), bop-bop-bop

[Chorus]

Bop-bop-bop (It's whatever), bop-bop-bop (Ayy)
Step off in the spot (Ayy), bop-bop-bop (Ayy)
Bop-bop-bop (It's whatever), bop-bop-bop (Ayy)

Step off in the spot (Ayy), bop-bop-bop (Ayy)

[Post-Chorus]

Let's go, let's go, let's go

Let's go, let's go, let's go (Ayy)
