"Face 2 Face"

[Intro]

Haha, Rex did it again (Rex did it again)

Haha, yeah (Yeah)

Uh

Every time, every time

I go to fall asleep

Every time, I close my eyes

Yeah

[Chorus]

Every time I go to fall asleep, these demons haunting me

Face my fears, face-to-face as we meet

Evil is grabbing me

Losing my gravity

My mind's a bloody scene, detached from reality (Reality)

[Verse]

I won't, I don't wanna, I don't wanna, I don't wanna implode

I won't, I don't wanna, it's the end of the summer, it's starting to get cold

If I knew all along the Midas touch

Would expose all my wrongs, turn 'em to gold

The ship gon' sink, can't sail no more

I lost my receipt when I sold my soul

I lost my seat, what do I stand for?

The monsters of the deep (The monsters), they take control (Control)

No matter where I go, the devil always know
To bring me down, in my dreams, he prowls

[Chorus]

Every time I go to fall asleep, these demons haunting me
Face my fears, face-to-face as we meet
Evil is grabbing me
Losing my gravity
My mind's a bloody scene, detached from reality (Reality)

[Outro]

Ooh-oooh-oooh-oooh-oooh
Ooh-oooh-oooh-oooh-oooh
Ooh-oooh-oooh-oooh-oooh, oooh
