"In Love With A Mermaid"

(Tuned up)

Oh-oh

I fell in love wit' ya from the start
You know you amazing, you a star
I fell in love with you because of you are
Was lookin' like a fool, but you saved me from the dark
Them VVS' cool, should've bought yo' ass a car

Uh, classy, huh, you nasty
Way you walkin', I can't wait, get in the backseat
If you want it, I'ma pay, don't got to ask me
Bae, I'm comin', see my face, want you to grab me
Come grab me, don't backstab me
Tell your ex he need to chill, 'fore he get his ass beat
I'ma love you from Thursday to Thursday
Not a human, I'm in love with a mermaid

Private island in Maldives

This is not a honeymoon, but, we act like it is
Opinions keep on comin' through, they all up in out bizz'
I have a lot of fun with you, can't wait 'til we have kids
Fall asleep, I'm on the phone with you, like back when we was kids
Fuck what people talkin' 'bout, 'cause you know what it is

I don't know who you was fuckin' with, but, bae, that nigga mid
Met you in the ocean, but, we lovin' on the lint

I fell in love wit' ya from the start
You know you amazing, you a star
I fell in love with you because of you are
Was lookin' like a fool, but you saved me from the dark
Them VVS' cool, should've bought yo' ass a car

Uh, classy, huh, you nasty
Way you walkin', I can't wait, get in the backseat
If you want it, I'ma pay, don't got to ask me
Bae, I'm comin', see my face, want you to grab me
Come grab me, don't backstab me
Tell your ex he need to chill, 'fore he get his ass beat
I'ma love you from Thursday to Thursday
Not a human, I'm in love with a mermaid
