## "LET GO"

### **[Pre-Chorus: Central Cee & Passenger]**

Well, you only need the light when it's burning low  
Only miss the sun when it starts to snow (Nastygia)  
Only know you love her when you let her go

Alright

### **[Chorus: Central Cee]**

Only know you've been high when you're feeling low  
Only hate the roads when you're missing home  
Only know you love her when you let her go  
You said that pussy mine, so why'd you let it go?

Haha, you're such a ho

### **[Verse 1: Central Cee]**

I loved you until you try to get in my head

And that's why I lost respect

You're doin' the most to get my attention, baby, I'm not impressed, uh

I changed my bedsheets, but I still smell your flesh

I don't know how we got in this mess

I rarely get this in-depth

This girl make me question love

This girl make me feel like less of a man 'cause I'm feelin' depressed and  
stuff

Can't believe I was willing to drop everyone and invest in us

The last time that we fucked was fucked, the way you got up, got dressed  
and cut

Look, I thought that we could've been

Maybe, I was too optimistic

Tell me what you need, I'll provide everythin'

Baby, you don't know what you're missin'

Our chemistry felt like quantum physics, physics

Feelin' your energy, feelin' your spirit

If this is the end, I need one more visit

They're showin' me love, but I still feel empty

I need somethin' a lot more fulfillin', uh

Move out of London town then move to a rural village

You made me delete that pic off my phone

But I close my eyes, still see that image

Won't chase if my heart ain't in it, it's finished

Too far gone, can't fix it, bitch, this damage is done

[Pre-Chorus: Central Cee & Passenger]

Well, you only need the light when it's burning low

Only miss the sun when it starts to snow

Only know you love her when you let her go

Alright

**[Chorus: Central Cee]**

Only know you've been high when you're feeling low

Only hate the roads when you're missing home

Only know you love her when you let her go

You said that pussy mine, so why'd you let it go?

Haha, you're such a ho

**[Verse 2: Central Cee]**

I called four times on a private caller, I feel like a creep, uh

I know there's plenty of fish in the sea, but I fucked those girls, got you in  
my mind

When you fucked those guys, did you wish they were me?

Turn 'em around and I put them in doggy, I don't even fuck them in  
missionary

There's no intimacy and additionally, it's obligatory when I fucked that opp  
thot

I don't even take my socks off

And I don't even know why I did it, as soon as I'm finished, I'm gettin' them  
dropped off

And what makes it worse, I know that she's tellin' her friends that I chopped  
her

I don't know what you're doin' when we're not together, it's drivin' me mad  
'cause I can't even stop ya

Typed in your bank details and sent you a bag, I'm rich like, bitch, unblock  
me

Make it quick, can you do that promptly?

If you won't give me your love for free, I'll buy it, just tell me how much it'll  
cost me

Your new man ain't got nothin' on me

Fuck your annual wage, I can make that monthly, huh, alright

**[Pre-Chorus: Central Cee & Passenger]**

Well, you only need the light when it's burning low

Only miss the sun when it starts to snow

Only know you love her when you let her go

Alright

**[Chorus: Central Cee]**

Only know you've been high when you're feeling low

Only hate the roads when you're missing home

Only know you love her when you let her go

You said that pussy mine, so why'd you let it go?

Haha, you're such a ho
