Broke ass nigga, girl, I ain't one (Ain't one)
Whole lotta money, you could make some (Make some)
Your hatin' ass nigga wanna say somethin'?

[Verse 1: Tyga]

She gon' do it on a handstand, do it on the D (Yee)
Do it 'cause you know you need the money for the friend (Woo)
Do it 'cause you hopin' it's gon' put you on a jet (Skrr)
Do it 'cause you know I get that good pussy wet
We live
Go and shake that shit like it's V-Live
Instagram with it, baby, we live
Do whatever for the cat, love the feline
Yeah, bring that ass back like it's rewind
Girl, bring it back (Oh), back (Oh)
I ain't know you do it like that (Like that)

Go 'head, get into it like that (Like that)
Throw that ass and I'm throwin' money back (Oh, yeah, yeah)
Yeah, bring it back (Oh), back, oh
Tryna throw a nigga off track, off track, yeah
Love it when you do it like that, like that
Tell the DJ, gotta run it back (Yeah)

[Chorus: Tyga]

She gon' get nasty, yeah (Nasty, yeah)
Bad lil' baby gon' shake somethin' (Shake somethin', yeah)
Whole lotta money, you could make some (Make some)
Go and throw it back, don't break nothin', yeah, yeah
She gon' get nasty, yeah (Nasty, yeah)
Broke ass nigga, girl, I ain't one (Ain't one)
Whole lotta money, you could make some (Make some)
Your hatin' ass nigga wanna say somethin'? (Yeah)

[Post-Chorus: Tyga & Chris Brown]

But you gon' get nasty, yeah
Nasty, nasty (Oh)

She gon' get nasty, yeah
Nasty, nasty (Ooh)
Nasty
She gon' get nasty, yeah
Nasty, nasty

She gon' get nasty, yeah
Nasty, nasty (Oh-oh-oh)
Nasty

[Verse 2: Chris Brown]

She like it when I dive in
Pullin' on her hair, I'ma show you what the vibe is, yeah
I be tryna get naughty

Girl, I'm sorry not sorry
You should get freaky for me
Throw it in reverse, make it easy for me
Show a little skin, got you leakin' for me
Make it easy for me

If I tell you, shawty got a ten-ten body, you believe me, don't she
Shawty bust down for the hell of it
I got a few more girls, would you let 'em in?
All I see is baddies (You, you)
A couple dimes with the fatties, yeah
Lil' shawty, throw it down, what you represent?
Bad bitch, she the president (Yeah)
And when we done, we gon' do it all over again

[Chorus: Tyga & Chris Brown]

She gon' get nasty, yeah (Yeah)
Bad lil' baby gon' shake somethin' (Shake somethin')
Whole lotta money, you could make some (Make some)
Go and throw it back, don't break nothin', yeah, yeah (Woah-oooh-woah)
She gon' get nasty, yeah (Get nasty, yeah)
Broke ass nigga, girl, I ain't one (Ain't one)
Whole lotta money, you could make some (Make some)
Your hatin' ass nigga wanna say somethin'?

[Post-Chorus: Tyga & Chris Brown]

But you gon' get nasty, yeah
Nasty, nasty (Oh-oh, ah-ah)
Nasty (Oh-oh)
She gon' get nasty, yeah
Nasty, nasty (Nasty, nasty, for me)

She gon' get nasty, yeah
Nasty, nasty (Oh, ooh-oh)

She gon' get nasty, yeah

Nasty, nasty (Oh-oh-oh)
