"On Time"

[Intro: A\$AP Rocky]

Listen (Listen)

Every story need a superhero and a villain

Now, introduc'in'

Metro motherfuckin' Boomin, nigga (Metro motherfuckin' Boomin, nigga)

[Verse: John Legend]

Ah, yeah

They pray for the day that I lose it

But God gave me the power to use it

May've waited a while, but I'm on time, yeah

I glide through the rain and the fire

Take no days off, can't retire

Know you waited a while, but I'm on time

Oh, I'm on time, hey

Know you waited a while, but I'm on time

Oh, I'm on time, on time

Know you waited a while, but I'm on time

(Time, time)

(May've waited a while, but I'm on time)

(May've waited a while, but I'm on time)

[Spoken Word: Morgan Freeman]

You know what they say

If Young Metro don't trust you
Motherfucker, you better run

[Outro: A\$AP Rocky & Antony Starr]

All the villains is grinnin', all my niggas is winnin'
Must I remind you one more time? Must I remind you niggas?

I gotta tell you niggas again
We gotta show them niggas again
We gotta—, we gotta—, hold on (P)
I'm done

I am done apologizing, I am done being persecuted for my strength
You people should be thanking Christ that I am who and what I am,
because you need me

You need me to save you, you do
I am the only one who possibly can
You're not the real heroes; I'm the real hero
