"One Night Stand"

She said one more dance No I can't
She said hold my hand And So I ran
I had my chance but I'm too in-love for a one night stand A one night stand
She said one more dance
No I can't
She said hold my hand
And so I ran
I had my chance but I'm too in love for a one night stand A one night stand
yeah
Love me love me say that you love me
Fool me fool me go on and fool me
Love me love me pretend that you love me
Leave me leave me just say that you need me yea
Yeah she only calls on occasions
Girl you know how I feel why you playin
You say you want me so why are you waiting
Tell me straight up is this love, are you faking
Woah I'm gone
Flight caught five in the morning
I don't think you deserving of warnings
Disappeared then came back driving foreigners
Damn you got me waiting for you
Trying not to care what you do
Just got back from the stu come through
Yea I see you trying, you won't find a better dude no No this ain't fun

Why can't this be done
I need you, you're not just anyone
Why can't you see I'm the one that you want
She said one more dance No I can't
She said hold my hand And So I ran

She said hold my hand
And so I ran

I had my chance but I'm too I love for a one night stand A one night stand
