"Players"

[Chorus]

Yeah

'Cause girls is players too, uh

Yeah, yeah

'Cause girls is players too (Keep it player, baby)

'Cause girls is players too

Bitches gettin' money all around the world

'Cause girls is players too

[Verse 1]

What you know 'bout livin' in the top?

Penthouse suites, lookin' down on the opps

Took him for a test drive, left him on the lot

Time is money so I spent it on a watch, hol' on

Lil' titties showin' through the white tee

You can see the thong bussin' out my tight jeans (Okay)

Rocks on my fingers like a nigga wifed me

Got another chérie? She ain't nothin' like me (Yeah)

[Pre-Chorus]

'Bout to catch another flight (Yeah)

The apple bottom make him wanna bite (Yeah)

I just wanna have a good night

I just wanna have a good night (Hold up)

If you don't know, now you know

If he broke then you gotta let him know
You could have anybody, eeny, miny, moe
'Cause when you a boss, you could do what you want

[Chorus]

Yeah
'Cause girls is players too, uh
Yeah, yeah
'Cause girls is players too (Keep it player, baby)
'Cause girls is players too
Bitches gettin' money all around the world
'Cause girls is players too

[Verse 2]

I go, on and on and on again
He blowin' up my phone but I'm ignorin' him
He thinkin' he the one, I got like four of him
Yeah, I'm sittin' first class like Valedictorian, uh
Came a long way from rag to riches
Five-star bitch, yeah, I taste so delicious
Let him lick the plate, yeah, I make him do the dishes
Now he on news talk 'cause a bitch went missin', sheesh (Yeah)

[Pre-Chorus]

'Bout to catch another flight (Yeah)
The apple bottom make him wanna bite (Yeah)
I just wanna have a good night
I just wanna have a good night (Hold up)
If you don't know, now you know
If he broke then you gotta let him know
You could have anybody, eeny, miny, moe
'Cause when you a boss, you could do what you want

[Chorus]

Yeah

'Cause girls is players too, uh
(It is time that we let 'em know that—)
Girls is players too (Keep it player, baby)
'Cause girls is players too
Bitches gettin' money all around the world
'Cause girls is players too
