## "Real Man"

### **[Chorus: Behani]**

I need a man  
I need a real man  
Say what he means, mean what he say  
Keep it so real, man  
And he don't play  
No, he don't play 'bout me, for real, man  
Love me for real, man  
Love me for real

### **[Verse 1: Behani]**

What's money to a man when he got that?  
Spend a bag on a bag to apologize  
When all he had to do was a apologise  
Can't solve every problem with a dollar, I am not that  
That can never be me  
Need a man that really wants to please me  
Do it 'cause he love me not because it's easy  
I am not impressed by the diamonds on your chest  
If underneath there ain't no heart  
Said I need passion not attention but your worth don't tell me who you are  
Understand, understand

### **[Chorus: Behani]**

I need a man (Mm)

I need a real man  
Say what he means, mean what he say  
Keep it so real, man  
And he don't play  
No, he don't play 'bout me, for real, man  
Love me for real, man  
Love me for real, yeah  
Love me for real

**[Post-Chorus: Behani]**

Show me something real, show me something real  
Not just something I can spend but something I can feel  
Respect my intellect, not just my sex appeal  
Do that and maybe we can chill

**[Verse 2: Ne-Yo]**

Don't go lookin' for perfection, baby, ain't no truth in this  
No more knights in shining armor, now it's shiny necks and wrists  
But beneath these shiny diamonds, you will surely find a heart  
My jewelry selection and my affection are both true works of art  
What I mean is I'ma treat you like you deserve to be treated (Oh)  
You don't ever have to ask if you need it, it's there (It's there)  
Notice how I said need  
Baby, I'ma provide so that we can proceed  
Hear me when I'm talkin', I'ma listen when you speak  
Lovin' on your intellect as well as the booty  
Makin' sure that we never lose  
Run the verse back if you don't know who to choose

**[Chorus: Behani]**

I need a man (Mm)  
I need a real man  
Say what he means, mean what he say  
Keep it so real, man  
And he don't play

No, he don't play 'bout me, for real, man  
Love me for real, man (Love me for real)  
Love me for real, yeah  
Love me for real

**[Post-Chorus: Behani]**

Show me something real, show me something real  
Not just something I can spend but something I can feel  
Respect my intellect, not just my sex appeal  
Do that and maybe we can chill

**[Outro: Behani]**

(Hey, yeah)  
I, I, I need a real man  
I, I, I need a real man  
I, I, I need a real man, yeah
