The bitch get loose, she tryna win
I beat her by the house, I beat her in
There's forty in the couch, I let her spend

When it calls lit, better call in
She done popped all out, she can call twin
I done went to spazzed out, I put the raw in
I done hit the strip club and spent a tall ten
But shawty off the Clicquot
She been comin' hot just like a heat stroke (Heat stroke)
I could see you lurkin' through the peephole
I'm stackin' different money, type C notes (C notes)
I'm talkin' C notes, nigga, hit C notes

[Pre-Chorus: Don Toliver]

You spend what you want and you get what you want
I guess you got what you wanted
You're hittin' the pole and you give it your all
Now, you keepin' it honest (Yeah)
It's too many nights I went nameless
It's too many nights I went famous
It's too many nights I went brainless, sayin', "Uh-uh-uh-uh" (Yeah)
Let's get dru-u-unk

[Chorus: Don Toliver]

Keep the bitch ju-u-ump (Keep jump)
Keep the bitch ju-u-ump (Keep jump)
Keep the bitch—
I got it cool, for a ten
The bitch get loose, she tryna win
I beat her out the house, I beat her in
There's money in the couch, I let her spend

[Verse 2: Don Toliver]

You made a hundred and you fall back, did you wanna call back?
Knowin' that you're all that, bae
I was two hundred on your dashboard, stampin' out your passport
Ask me if I'm really okay

[Bridge: Don Toliver]

You get what you want, you want, you want
You get what you want, you want, you want
You get what you want, you want, you want
You get what you want, you want, you want

[Pre-Chorus: Don Toliver]

You spend what you want and you get what you want
I guess you got what you wanted
You're hittin' the pole and you give it your all
Now, you keepin' it honest (Yeah)
It's too many nights I went nameless

It's too many nights I went famous
It's too many nights I went brainless, sayin', "Uh-uh-uh-uh" (Yeah)
Let's get dru-u-unk

[Chorus: Don Toliver]

Keep it on ju-u-ump (Jump)
Keep it on ju-u-ump

[Interlude: Don Toliver]

Ooh-oooh, ooh-oooh (Keep it on ju-u-ump)
Ooh-oooh, ooh-oooh (Keep it on ju-u-ump)
Ooh-oooh, ooh-oooh (Keep it on ju-u-ump)
Ooh-oooh (Hahaha)

[Outro: Future]

Bottega Veneta whenever you ride with me
It ain't like I'm askin' you to ride for free
From trappin' to rappin', need to be proud of me (Proud of me)
Back out the studio and throw parties (Throw parties)
Money comin' too fast, I can't slow it (I can't slow it)
Feel like I'm runnin' from my past, I can't slow down
So many nights, 'bout to crash (Skrrt)
Now I'm buyin' the foreigners, all cash
I can't slow down
