"Transparency"

[Intro]

(Right Now Sound)
Ooh-oooh (Sound)
Yeah, yeah (Hitmaka)
Hey, she said

[Chorus]

It's so hard to reach you
Don't know what you're really lookin' for
Tell me if you need to
Tell me I'm the one you're lookin' for
I wanna be see-through
Transparency, when you look at me
You know I can teach you
Teach you everything
Are you hearing me?

[Verse]

I choose
911, baby, it don't got no roof
Ooh, put you on the moon
Take you places like Tulum or Cancun
Total finesse like you in Belize
Hit it once and I take you straight out to Paris, yeah
I want it all (All), you are more, oh

[Chorus]

It's so hard to reach you
Don't know what you're really lookin' for
Tell me if you need to
Tell me I'm the one you're lookin' for
I wanna be see-through
Transparency, when you look at me
You know I can teach you
Teach you everything
Are you hearing me?

[Post-Chorus]

It's so hard to reach you
It's so, it's, it's so
It's so, it's so
It's so hard to reach you
