"Bussin"

Yeah, my connect just now sent my wrist back, tell these b-, "Give my drip
back"

Strawberry Ferrari, whip that, like to look back when he h-h-h-h-hit that
A- and thighs, that's where I'm thick at, told his ex, she ain't getting that d-
back

I call Baby, "Yo, where that stick at?" (Tell that boy, come get his s- back)

If they act up, we gon' fix that, my new n- ain't with that chit-chat

You know you ain't getting your b- back

Yeah, I do it, bitch, I did that, wish a bitch would, I ain't taking my wish back
(woo)

This cost half a ticket, plus tax, big ol' Draco for a mishap

It say "Barbie" on my wrist tat', I ain't at the bus stop, but my n- bust back
(bust back)

VVS' bu-bu-bussin'

A- so fat, it's bu-bu-bussin'

Bag so full, it's bu-bu-bussin'

Drivin' foreigners, b- bussin' (Queen!)

We run s-, no question, bad lil' b- get wet (I'm bussin')

Don't like good boys (I like hustlers)

I don't talk a lot (I got a few questions)

I'm that guy, don't miss your blessings

Life's too short to be 'round here stressin'

A- so fat, when she walk, dress lift up

Nobody move, but us, it's a stickup (brr)

SF90 sound like it got hiccups

No matter what, when I call (I pick up)

Tell me all the business, I ain't spillin' my teacup

Go to sleep in Paris, waking up in Mykonos

I'ma lil' busy, go shopping 'til I finish

Send me with an AmEx, I don't need a limit

Every bit of 700, this is not a rental

Yellow Lamborghini coupe, this is not a lemon

VVS' bu-bu-bussin'

A- so fat, it's bu-bu-bussin'

Bag so full, it's bu-bu-bussin'

Drivin' foreigners, b- bussin' (Queen!)

I'm tryna ball, I just copped me some hoops

Blonde on my inches, brown on the roots

Candy apple sticky, red bag, not the fruit

Copped me them cute double C's on my boot (ah)

I'ma lil' busy, go shoppin' 'til I finish
Send me with an AmEx, I don't need a limit
Every bit of 700, this is not a rental
Yellow Lamborghini coupe, this is not a lemon
I f- him like a boss, Dolce Gabbana scarf
Burberry, ask Siri, I don't ever take a loss
Big whips, I like his drip, big stick, a hundred clips
If it's givin' what it's 'posed to, I might put it on the lip (woo)

VVS' bu-bu-bussin'
A- so fat, it's bu-bu-bussin'
Bag so full, it's bu-bu-bussin'
Drivin' foreigners, b- bussin'
VVS' bu-bu-bussin'
A- so fat, it's bu-bu-bussin'
Bag so full, it's bu-bu-bussin'
Drivin' foreigners, b- bussin' (Queen!)
