"Dick"

Dick, dick

Dick, dick

Dick, dick

Dick

She done made some plans with my dick, ayy

She goin' ham on my dick, ayy

Sittin' on, stand on my dick, ayy

She goin' ham on my, she goin' ham on my

She goin' ham on my dick, ayy

She made some plans with my dick, ayy

Sittin' on, stand on my dick, ayy

Using no hands on my dick, ayy

She made some plans on my dick tonight

She not with him tonight

She not with Jim tonight

She in the gym tonight

Workout in that pussy (ayy)

I'm gettin' ripped tonight

R.I.P. that pussy (ayy)

I'm goin' in tonight

She like to sit on the cock, ayy

She like to do it a lot, ayy

I make her scream for her mom, ayy

I make her scream for her pop, uh

And she got the ice, ice, baby

Suck the cock, cock

Got me like, "I like it, like it"

Baby, please don't stop, stop

Shawty gettin' freaky, goin' on a pickie

Shawty seen the icin' and the chillin' of the pinky

And I got that ice, ice, baby on my pinky

Shawty say she like, like ready 'cause she freaky

Made some plans with my dick

She goin' ham on my dick

Sittin' on, stand on my dick

She goin' ham on my, she goin' ham on my

She goin' ham on my dick

Sittin' on, stand on my dick

Usin' no hands on my dick

She goin' ham on my, she goin' ham on my

She goin' ham on my dick tonight

She not with him tonight

She not with Jim tonight

She in the gym tonight

Workout in that pussy (ayy)

I'm gettin' ripped tonight

R.I.P. that pussy (ayy)

I'm goin' in tonight

She actin' like an addict, uh

Thicker than Andy Richter

I met the boy in the Six, but

Measurements wasn't a six, uh

I'd like a side of the pickle

I just got Morty & Rick'd, uh

He got me horny and ripped, uh

Like I just walked out the gym

And them bitches just gotta 'cause I took they Jim

Give him a job and he gave me a rim

It was too long so he gave me a min'

How was that possible? Give me a Kim

I can't describe it, just give me a pen

And why he in your tummy, bye-bye to my ribs

Turn him into a dummy, 'cause I got him stiff
And watch, you think it's funny 'til y'all get the dick
And turn into a zombie and swallow your clit
She goin' ham on my dick (dick)
Sittin' on, stand on my dick (yeah, yeah, yeah)
She goin' ham on my, she goin' ham on my (yeah, yeah)
She goin' ham on my dick (dick, yuh)
Sittin' on, stand on my dick
Usin' no hands on my dick
She goin' ham on my, she goin' ham on my
She goin' ham on my dick tonight
She not with him tonight
She not with Jim tonight
She in the gym tonight
Workout in that pussy (ayy)
I'm gettin' ripped tonight
R.I.P. that pussy (ayy)
I'm goin' in tonight
