Big Latto, JT

Bitch, I'm fuck nigga free, broke nigga free (Let's go, woo, woo, hey)

Nigga, play wit' yo dick, not me

On gang

I'm F-R-E-E, fuck nigga free (fuck 'em)

That mean I ain't gotta worry 'bout no fuck nigga cheating (woo)

And I'm S-I-N-G-L-E again (yup)

Outside hanging out the window with my ratchet-ass friends

Let's go! (Go, go, go, go)

Let's go! (Go, go, go, go)

Let's go! (Go, go, go, go)

Let's go! (Go, go, go, go)

Bitch, I'm G to the L to the O, Big Glo(Rilla)

You can catch me out in traffic tinted, sliding with your ho (skrrt)

I ain't popping out at parties, gotta book me for a show (give me that)

He say, "Y'all be living fast, " nah, pussy boy, you slow (stupid ass)

Ayy, we hopping out in red lights (go), twerking on them headlights (go)

She say she can't come outside today, that mean she scared, right? (Huh?)

I be put up in the winter, in the summer, pop out every night (on gang)

Bragging on that nigga top, you better hold his head tight (better watch him)

Anyways, life's great, pussy still good (but they knew that)

Still eating cake, wishing that a bitch would (bet they won't)

Got my foot up on they necks as a bitch should (watch me plot, let's go)

On the gang

I'm F-R-E-E, fuck nigga free (fuck 'em)

That mean I ain't gotta worry 'bout no fuck nigga cheating (woo)

And I'm S-I-N-G-L-E again (yup)

Outside hanging out the window with my ratchet-ass friends (let's go)

I'm F-R-E-E, fuck nigga free (fuck 'em)

That mean I ain't gotta worry 'bout no fuck nigga cheating (woo)

And I'm S-I-N-G-L-E again (yup)

Outside hanging out the window with my ratchet-ass friends (let's go)

Let's go! (Go, go, go, go)

Let's go! (Go, go, go, go)

Let's go! (Go, go, go, go)

Let's go! (Go, go, go, go) JT

I don't care who he fuck with, bitch, I can't be fucked with (nah)

Must be gone off Perc's if you ever thought you fucked this (what?)

Using my name for clickbait, eat my ass and my clit, wait

Bitch, I got a future, do it look like I can sit and wait?

I'm F-R-E-E, hold up, stop the beat

I'm a motherfucking City Girl, ain't shit free 'bout me (ayy)

You a fraudulent ass hoe, nigga, acting like you on, nigga

You ain't been in shit since that PPP loan, nigga (hahaha)

Anyway, pussy good, so I'm put up

Ass stroke, sitting pretty with my foot up

Y'all hoes get played, huh, not us

But if a nigga ever try, it's up

I'm F-R-E-E, fuck nigga free (fuck 'em)

That mean I ain't gotta worry 'bout no fuck nigga cheating (woo)

And I'm S-I-N-G-L-E again (yup)

Outside hanging out the window with my ratchet-ass friends

Let's go! (Go, go, go, go)

Let's go! (Go, go, go, go)

Let's go! (Go, go, go, go) Big Latto

Let's go! (Go, go, go, go)

I'm fuck nigga free, I ain't doing no arguing (the fuck)

They ain't shit without me, all my exes like Safaree (they broke)

All my opps scared, they won't pop up at the party

Got them bitches running from me, like a episode of Maury

On the freeway, throwing ass threeways  
Young bitch feel like a vet' in this C8  
Call him private, I ain't text him back in three days  
Can't have no fuck nigga throwing off my PH  
Anyways, on the pop charts, popping shit  
Two things I ain't with, sugar grits and sharing dick (on God)  
Bougie, bad, and thick, 23, ain't got no kids  
Pop a Plan B before I let him trap a bitch, haha  
I'm F-R-E-E, fuck nigga free (fuck 'em)  
That mean I ain't gotta worry 'bout no fuck nigga cheating (woo)  
And I'm S-I-N-G-L-E again (yup)  
Outside hanging out the window with my ratchet-ass friends  
Let's go (at the red lights twerking on them headlights)  
At the red lights twerking on them headlights  
At the red lights twerking on them headlights  
At the-, on Gang! (JT)  
Haha, GloRilla  
Big Latto  
E-E, fuck nigga free  
Why y'all hoes stressing out 'bout y'all fuck niggas cheating?
