"Get into It (Yuh)"

Yeah, ay

Hey, ay, yeah

They say I just got a buck (ay)

Get into it, yuh

Pop out with a truck (ha)

Get into it, yuh (yeah)

If you go to church

I said, get into it, yuh

And if she ain't got a butt (yeah)

Nah, fuck it, get into it, yuh (yeah, ah, ah)

And I say I just got a buck

Get into it, yuh

Pop out with a truck

Get into it, yuh

If you go to church

Get into it, yuh

If she ain't got a butt

Fuck it, get into it, yuh (yeah, yeah, yeah, yeah)

Yeah, you just wanna party

You just want a lap dance

You just wanna pop up on these clowns like you're the Batman

You just wanna ball out in designer with your best friends

You don't wanna talk no more about it in the past tense

Get me out my zone, I'm just talking comfort, shawty

I ain't give you nothing you could come for, shawty

I got plenty things you make a run for, shawty

Call him Ed Sheeran, he in love with my body

They say I just got a buck (ay)

Get into it, yuh

Pop out with a truck (ha)

Get into it, yuh (yeah)

If you go to church

I said, get into it, yuh

And if she ain't got a butt (yeah)

Nah, fuck it, get into it, yuh (yeah, ah, ah)

And I say I just got a buck

Get into it, yuh

Pop out with a truck

Get into it, yuh

If you go to church
Get into it, yuh
If she ain't got a butt
Fuck it, get into it, yuh (yeah, yeah, yeah, yeah)
Y'all need to get into the drip like a piranha
Y'all need to get into my drip like y'all need water
On me, it's only head to toe, Balenciaga
On me, y'all bitches better "yuh" like Ariana
If they ever tryna neck, I'll put my foot up in your caca
Call your mama and your papa
Like I'm finna take your dad
Turn that bitch into a soccer ball and rocka, rocka, rocka (brrr)
Get into it like a suit
And fuck a stack up like a broker
They say I just got a buck (yeah)
Get into it, yuh (ay)
Pop out with a truck (ha)
Get into it, yuh (pop out, pop out, pop, ay)
If you go to church
I said, get into it, yuh
And if she ain't got a butt
Nah, fuck it, get into it, yuh (ah)
And I say I just got a buck (ay)

Get into it, yuh

Pop out with a truck (what?)

Get into it, yuh (yeah)

If you go to church (if you got church)

Get into it, yuh

If she ain't got a butt

Fuck it, get into it, yuh (yeah, yeah, yeah, yeah)

Thank you, Nicki, I love you

Got that big rocket launcher
