

Hotel - Lawsy Lyrics

This Lyrics is downloaded from Showthelyrics.com check out for more lyrics

"Hotel"

Bitch, who the fuck?

3 AM, I'm in the hotel

Bitch, I'm missing you and that throat, yeah

I'm in her pussy she like, "Oh, yeah"

Bitch, I'm trappin' hard, make that dope sell

Bitch, it's like 5 AM in the hotel

Kick her out for my ho, yeah

Fuck, she knocked on the door, yeah

Get under the bed, baby, keep it low, yeah

3 AM, I'm in the hotel

Bitch, I'm missing you and that throat, yeah

I'm in her pussy she like, "Oh, yeah"

Bitch, I'm trappin' hard, make that dope sell

Bitch, it's like 5 AM in the hotel

Kick her out for my ho, yeah

Fuck, she knocked on the door, yeah

Get under the bed, baby, keep it low, yeah
I got me a main bitch but you the one
Let's go to your crib, have some fun
Why this cougar tryna have my son?
I need me like two hoes not one
Bitch (yeah), I got what you want, I got what you need
Certified plug, servin' the fiends
For my love, she gon' do anything
Walk into Walgreens, score some lean
The Drac' hit his leg, he walk with a lean (bow)
'Bout to sell him some weed
I think he a cop, gotta run from the scene
High as hell, I don't know what I'm seein'
Perc 30's and 10's, got everything
Do I buy her a purse, man, what you think?
I buy her a bag, just to put my Glock in it
She open her legs, finna put my cock in it
Glock with a switch, you ain't stoppin' it
Still smoking the gas, baby, I ain't stoppin' it
I'm goin' up and I know they watchin' it
Grown bitch, hit my phone said she proud of me
Am I finna fuck? Man, probably
She fucking with us 'cause she know where the commas be

Ain't friends with these bitches, man, that's where the drama be

3 AM, I'm in the hotel

Bitch, I'm missing you and that throat, yeah

I'm in her pussy she like, "Oh, yeah"

Bitch, I'm trappin' hard, make that dope sell

Bitch, it's like 5 AM in the hotel

Kick her out for my ho, yeah

Fuck, she knocked on the door, yeah

Get under the bed, baby, keep it low, yeah

3 AM, I'm in the hotel

Bitch, I'm missing you and that throat, yeah

I'm in her pussy she like, "Oh, yeah"

Bitch, I'm trappin' hard, make that dope sell

Bitch, it's like 5 AM in the hotel

Kick her out for my ho, yeah

Fuck, she knocked on the door, yeah

Get under the bed, baby, keep it low, yeah
