"If Jesus Was A Rockstar"

If Jesus was a rockstar
Livin' like a party every day and divin' off the stage
If he'd give it to a pop star
Then I'd, I'd wanna be just like him
If Jesus was a rockstar
Throwin' daddy's money all around while he was gettin' down
So they kicked him out of the bar
Then I'd, I'd wanna be just like him
Maybe all I really need is something to believe
(Hell yeah) hell yeah
I need someone who can teach me to get on my knees
(Hell yeah) yeah
But if he looked like Kurt Cobain, I might
If he drank the pain away, I might
And if you think I can't be saved, that's right

I really, really want you to know that
If Jesus was a rockstar
Livin' like a party every day and divin' off the stage
If he'd give it to a pop star
Then I'd, I'd wanna be just like him
If Jesus was a rockstar (rockstar)
Throwin' daddy's money all around while he was gettin' down (ah)
So they kicked him out of the bar (the bar)
Then I'd, I'd wanna be just like him
In the bathroom (cool)
(Hell yeah) hell yeah, uh
We might pop one (what?)
A red or blue (fire)
(Hell yeah)
But if he looked like Kurt Cobain, I might
If he drank the pain away, I might
And if you think I can't be saved, that's right
I really, really want you to know that
If Jesus was a rockstar (rockstar)
Livin' like a party every day and divin' off the stage (ah)
If he'd give it to a pop star (pop star)
Then I'd, I'd wanna be just like him
If Jesus was a rockstar (rockstar)

Throwin' daddy's money all around while he was gettin' down (ah)

So they kicked him out of the bar (the bar)

Then I'd, I'd wanna be just like him

just like him

(A rockstar)
