## "Pointless"

If Jesus was a rockstar

Livin' like a party every day and divin' off the stage

If he'd give it to a pop star

Then I'd, I'd wanna be just like him

If Jesus was a rockstar

Throwin' daddy's money all around while he was gettin' down

So they kicked him out of the bar

Then I'd, I'd wanna be just like him

Maybe all I really need is something to believe

(Hell yeah) hell yeah

I need someone who can teach me to get on my knees

(Hell yeah) yeah

But if he looked like Kurt Cobain, I might

If he drank the pain away, I might

And if you think I can't be saved, that's right

I really, really want you to know that

If Jesus was a rockstar  
Livin' like a party every day and divin' off the stage  
If he'd give it to a pop star  
Then I'd, I'd wanna be just like him  
If Jesus was a rockstar (rockstar)  
Throwin' daddy's money all around while he was gettin' down (ah)  
So they kicked him out of the bar (the bar)  
Then I'd, I'd wanna be just like him  
In the bathroom (cool)  
(Hell yeah) hell yeah, uh  
We might pop one (what?)  
A red or blue (fire)  
(Hell yeah)  
But if he looked like Kurt Cobain, I might  
If he drank the pain away, I might  
And if you think I can't be saved, that's right  
I really, really want you to know that  
If Jesus was a rockstar (rockstar)  
Livin' like a party every day and divin' off the stage (ah)  
If he'd give it to a pop star (pop star)  
Then I'd, I'd wanna be just like him  
If Jesus was a rockstar (rockstar)  
Throwin' daddy's money all around while he was gettin' down (ah)

So they kicked him out of the bar (the bar)  
Then I'd, I'd wanna be just like him  
just like him I bring her coffee in the morning  
She brings me inner peace  
I take her out to fancy restaurants  
She takes the sadness out of me  
I make her cards on her birthday  
She makes me a better man  
I take her water when she's thirsty  
She takes me as I am  
I love it when her mind wanders  
And she loves it when I stay at home  
I know when she's lost and she knows when I feel alone  
From all my airs and graces  
To the little things I do  
Everything is pointless without you  
Of all the dreams I'm chasing  
There's only one I choose  
Everything is pointless without you  
I light the fire when it's cold out  
And she lights up the room  
I hope that she'll love me forever  
She hopes I'll be back soon

I take her out to the movies  
She takes away my pain  
She is the start of everything  
And I'll be there 'til the end  
I love when she laughs for no reason  
And her love's the reason I'm here  
She knows when I'm hurt and I know when she's feeling scared  
From all my airs and graces  
To the little things I do  
Everything is pointless without you  
Of all the dreams I'm chasing  
There's only one I choose  
Everything is pointless without you  
I'll wait for you  
I'll wait for you  
You'll wait for me too  
I'll wait for you  
I'll wait for you  
You'll wait for me too  
From all my airs and graces  
To the little things I do  
Everything is pointless without you  
Of all the dreams I'm chasing

There's only one I choose  
Everything is pointless without you  
Everything is pointless without you  
(A rockstar)
