"Real Hips"

Look, wait-wait-wait

Look, look, wait-wait-wait

On bro, it's the fuckin' bandman, you heard?

Ayy, hold on, look, wait

Put my hands on ya' hips

Shorty love when I smack it and beat it

She know how I rock, rock, rock

Play on bro, I'ma bleed 'em

I told my bitch, "They down to the end"

Next nigga play, I'ma blow when I see 'em

Screamin', "Free Nut", that's bro to the end

Can't wait til' he said they freed 'em

For the bros, I give my last

For the hoes, they throwin' that ass

Need a load, I'm throwin' that bag
He don't wanna beef, he don't wanna flag
I got this shit myself, no cap
To Ma, "I love you" and it's fuck my dad
Bitch, I'm touchin' a M off music
'Member they said I won't even grad'

When I dip, you dip
New bitch bad, she gon' eat up this dick
Walk in the party, I carry my grip
He play if he want, catch one to the lip, damn
Gun on my hip, can't rock my hips
You know how I'm comin', I'm bouncin', bouncin'
Touchin' a mil', take that off the list
Everyday I wake up, I'm countin', countin'

Cut it all up, I get to the cheddar
Bro got Glocks, I came with rettas'
Told lil' bro, "Be safe, keep head up"
My niggas, they happy and they don't need bread up
Lotta' you niggas, you think it's a game
Get out his body, get hit for the hate
In the city, I'm him, I made me a name

Lil' bitch in my DM, I think it's a set up

Put my hands on ya' hips

When I dip, you dip, you dip, like

Put my hands on ya' hips

When I dip, you dip, you dip, like

Put my hands on ya' what?

When I dip, you dip, you dip

Put my hands, like, put my hands, like, put-, look, look, wait

Rock-rock-rock-rock

Put my hands on ya', huh

Rock-rock-rock-rock

Put my hands on ya', huh

Put my hands all on them hips

She throwin' it back, this lil' bitch wilin'

After the party, I'm takin' it home

She told me she love me, I know she stylin'
