"Slumber Party"

I'm not shy, I'll say it

I've been picturing you naked

I'm a little faded

You look like a fuckin' paintin'

Big doe eyes, amazin'

She's everything I've been prayin'

My heart palpitation

She looks like the type to break it

Me and your girlfriend playin' dress up at my house

I gave your girlfriend cunnilingus on my couch

She cute, kawaii, hentai boobies, that excites me

I think she really likes me, asked politely, can I (woo-hoo)

(Ooh, woo-oooh, woo-oooh) slumber party

(Ooh, woo-oooh, woo-oooh) slumber party

(Ooh, woo-oooh, woo-oooh) slumber party

(Ooh, woo-oooh, woo-oooh) slumber party

Uh, it's getting hot in here

I'm the Nelly in the party with some rocks for ears (so hot in here)

I'm a slave for you, baby, Ms. Britney Spears

I'm a Clover, she a Toros, bring it on for cheers

And I'm sexy like Christina when I dip it low

Not an H-town girl, but I rodeo

Yippee-ki-yay, welcome to the show

It's an all-girl party, clothing optional

Me and your girlfriend playin' dress up at my house

I gave your girlfriend cunnilingus on my couch

She cute, kawaii, hentai boobies, that excites me

I think she really likes me, asked politely, can I (woo-hoo)

(Ooh, woo-oooh, woo-oooh) slumber party

(Ooh, woo-oooh, woo-oooh) slumber party

(Ooh, woo-oooh, woo-oooh) slumber party

(Ooh, woo-oooh, woo-oooh) slumber party

My girl look like Wednesday Addams

Eyes go black when she orgasms

Hide your back, she likes to stab them

My butt cheeks, she likes to grab

Matching pajama birthday suits

Her spit tastes just like Juicy Fruit

She do that thing she usually do

Spell my name with her tongue, like (uh)

Me and your girlfriend playin' dress up at my house

I gave your girlfriend cunnilingus on my couch

She cute, kawaii, hentai boobies, that excites me

I think she really likes me, asked politely, can I (woo-hoo)

(Ooh, woo-oooh, woo-oooh) slumber party

(Ooh, woo-oooh, woo-oooh) slumber party

(Ooh, woo-oooh, woo-oooh) slumber party

(Ooh, woo-oooh, woo-oooh) slumber party

I'm shy

I'm so shy, hahaha
