"Top"

(Ain't that DJ Chose over there?

Look like DJ Chose)

Mama I'm a stepper (I'm a stepper), I can't walk by faith

Every day I wake up to some brand new hate

Every nigga opps, every nigga want some, it's on everybody top

All these storms that I weathered (that I weathered), most couldn't take

I got problems with some niggas 'cause I won't be fake

Every nigga opps, every nigga want some, it's on everybody top

I beat the case 'cause I wouldn't talk

You heard that side of the story, but that shit was false (false)

The only ones that want revenge is the ones that lost (that lost)

I got niggas mad at me because I wouldn't cross (cross)

Solid as they come

You niggas ain't bust yet, how long you had that gun?

Why I'm gettin' so much hate? I ain't mad at them

Fuck they feelings now it's up, I threw a bag at them

Damn, half the time I thug up, had to put my love up

'Cause I don't know who hatin' no more

They say I'm dead, I don't even wanna wait no more

Mama I'm a stepper (I'm a stepper), I can't walk by faith

Every day I wake up to some brand new hate

Every nigga opps, every nigga want some, it's on everybody top

All these storms that I weathered (that I weathered), most couldn't take

I got problems with some niggas 'cause I won't be fake

Every nigga opps, every nigga want some, it's on everybody top

Damn, half the time I thug up, had to put my love up

'Cause I don't know who hatin' no more

They say I'm dead, I don't even wanna wait no more

All these storms that I weathered (that I weathered), most couldn't take

I got problems with some niggas 'cause I won't be fake

Every nigga opps, every nigga want some, it's on everybody top
